Haier

Born for the city.™

Appliance Catalog

#1 Appliance brand in the world *

*Euromonitor 2018.

The city is where we belong.

Its energy and grit are what inspire us.

From the architecture to the fast-paced lifestyle.

It's what pushes us to engineer appliances
for a new way of living.

Appliances that combine technology,
international design and city hustle.

We're the only appliance brand
designed for this place.

We're Haier, and we're born for the city.

So advanced that everything becomes easier.

With a clean appearance and uncomplicated functions—like an LCD touchscreen on laundry pairs—these attractive appliances take all the guesswork out of your daily routine.
A look inspired by the world that surrounds us.

Experience appliances that capture the architecture, energy and creativity that define modern living.

Haier appliances connected capabilities work with a variety of partners:

SMART COOKING SYSTEM

Smart appliances that provide unexpected simplicity.

Don't let your daily routine hold you back. Life is better when connected with smart appliances that simplify everyday tasks, free you from the kitchen and put total control right at your fingertips.
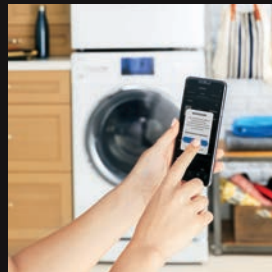

BE IN THE KNOW

Get notifications and alerts without having to hover over appliances.
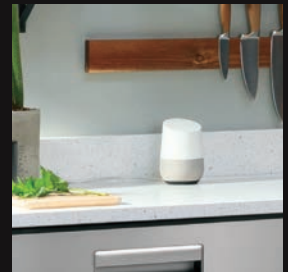

SMARTER, NOT HARDER

With features like voice activation or scan-to-cook, saving time is simple.

ANYWHERE CONTROL

Monitor and interact with appliances from anywhere.

UP-TO-DATE

Receive software updates that enhance performance and offer exciting new features.

IFTTT

innit

Experience the #1 appliance brand in the world.*

These full-size appliances offer a worldly, contemporary appearance combined with the latest in convenient kitchen features.

*Euromonitor 2018.

Discover new possibilities in a small-space kitchen.

These compact appliances are designed for creative individuals who would rather be exploring a vibrant city than sitting at home.

Refrigeration

The high-rise on your kitchen's skyline.

INTEGRATED HANDLE AND BLUE-TINTED BINS

Sleek lines and a cool, integrated handle give your refrigerator a standout style of its own. Inside, sharp lighting and blue-tinted bins add flare and functionality.

QUICK COOL & QUICK FREEZE FUNCTIONS

Just keeping it fresh. These easy-set functions accelerate the cooling/freezing of newly stored foods and protect those already refrigerated or frozen.

ADJUSTABLE SPILLPROOF GLASS SHELVES

Designed to make life easy, fridge and freezer shelves adjust for more convenient food storage and hold spills for hassle-free cleanup.

FINGERPRINT-RESISTANT STAINLESS

Get the look you want and keep it that way. Fingerprint-resistant, stainless finish keeps your refrigerator looking fresh, clean and stylish.

LED LIGHTING

In the city or in your kitchen, saving energy makes sense. LED lighting provides long-lasting, clear, bright light and is more energy efficient than incandescent lighting.

SABBATH-MODE FUNCTIONALITY

Respect. Sabbath mode disables functions in accordance with Sabbath-observing practices.

EXTERNAL TEMPERATURE CONTROL

Precision technology gives you more control. External temperature control lets you easily manage fresh-food and freezer temperatures with an increase/decrease of 1° for each press.

See product overviews for model-specific features.

QNE27JSMSS

Cooking

The right ingredients for your modern tastes.

FREE-STANDING RANGES
FEATURES
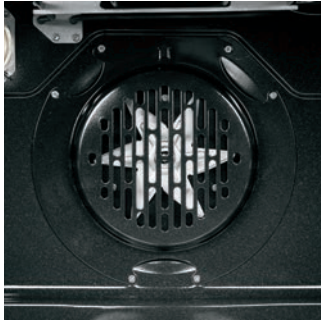

CONVECTION
With this tech-savvy oven, you've got baking down. Rear fan and additional heating element distribute hot air throughout the oven for a faster, more even bake.

HIDDEN BAKE ELEMENT
Busy lifestyles don't stop for cooking spills. Hidden bake element sits beneath a smooth surface, making cleaning fast and easy.

SIMMER BURNER
Find the right balance in life and in cooking. Low heat delivers gentle, even cooking results for your most delicate foods.

HEAVY-DUTY CONTINUOUS CAST-IRON GRATES
Go with your culinary flow. Continuous grates allow for easy movement of cookware, while providing even heat distribution with better heat retention.

MODULAR BACKGUARD
Match the look with your style. Versatile design gives you the option of a traditional look or a slide-in appearance.

DUAL LIGHTS
See your cooking skills in action. Dual lights spread bright, clear light throughout the oven for easy viewing.

BROIL ELEMENT
Perfectly designed for perfect results. Broil element delivers concentrated heat for broiling a variety of foods.

HEAVY-DUTY KNOBS
Designed to fit your life and style. Large, easy-to-operate knobs lend a high-end appearance, while their push-to-turn operation provides added safety.

See product overviews for model-specific features.

TRIPLE-RING BURNER

Find the right heat for your favorite foods. Triple-ring burner delivers intense heat for fast, high-heat cooking, plus three different burner options.

DUAL RADIANT ELEMENT

Now you're cooking. Cleverly designed, dual radiant element enables the use of variously sized cookware on one element.

SIMMER BURNER

Find the right balance in life and in cooking. Low heat delivers gentle, even cooking results for your most delicate foods.

HOT SURFACE INDICATOR

Too hot to handle. Hot surface indicator illuminates red to show when a cooking area is on or hot.

SEALED BURNERS

When your culinary creativity overflows, no worries. Sealed burners contain spills for quick and easy clean up, while also protecting the burners.

HEAVY-DUTY KNOBS

Designed to fit your life and style. Large, easy-to-operate knobs lend a high-end appearance, while their push-to-turn operation provides added safety.

CONTINUOUS CAST-IRON GRATES

Go with your culinary flow. Continuous grates allow for easy movement of cookware, while providing even heat distribution with better heat retention.
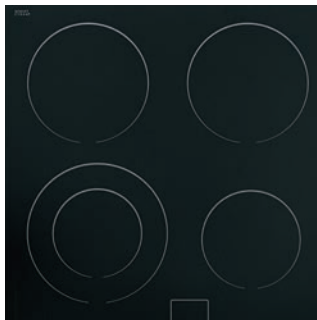

CERAMIC GLASS SURFACE

Breeze through the kitchen cleanup. Easy-to-clean, ceramic surface makes mealtimes simply effortless.

MICROWAVE OVENS
FEATURES
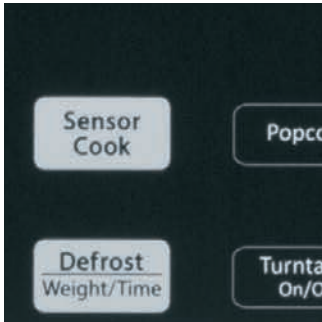

SENSOR COOKING
Smart tech takes the guesswork out of cooking. Sensor cooking feature adjusts cooking time and power level automatically, ensuring food is cooked perfectly.

RECIRCULATING AND VENTING OPTIONS
You take care of the cooking. It takes care of the smell. Flexible installation for any kitchen, with charcoal filter included.

CHARCOAL FILTER
Enjoy cooking and cleaner air, too. Charcoal filter removes fumes and odors that are released from foods during cooking.

300 CFM MOTOR
Gets kitchen odors outta here. The 300 CFM motor quickly moves odors and steam away from the cooktop surface.

LED INTERIOR & SURFACE LIGHTING
See your cooking skills in action. Interior and cooktop LED lighting distribute bright, clear light across all cooking surfaces.

See product overviews for model-specific features.

SMART
Dishwashers

Taking care of your social life.

18" DISHWASHER
FEATURES

ADA COMPLIANT WITH LOW-PROFILE INSTALLATION

Small can be a very big deal. This compact unit is the perfect fit for 34" countertop heights and raised subfloors. Plus, its unique 17 4/5" width means it will slide neatly into virtually any space.

PIRANHA™ HARD-FOOD DISPOSER WITH REMOVABLE FILTER

Give your dishes the edge. A stainless-steel blade pulverizes food particles at 3600 RPM to ensure consistently clean items.

AUTO SENSE CYCLE

Step up your cleanup. Auto Sense adjusts cycle time based on dish soil levels and water temperature.

SANITIZE OPTION (NSF CERTIFIED)

Clean to the max. High-temperature rinse sanitizes dishes and eliminates 99.999% of bacteria.

NSF®

Clothes Care

Keeping your style fresh, rain or shine.

WASHER
FEATURES

COMPACT 24" WIDTH WITH LARGE CAPACITY

The right fit for your modern, on-the-go lifestyle. Unique size offers installation flexibility, while its large capacity means you can do your laundry less often.

TOUCH-SENSITIVE CONTROLS

One touch is all it takes. Simple, intuitive LCD display with touchscreen technology makes operating this washer a breeze.

HUNDREDS OF CYCLE-SELECTION COMBINATIONS

You love choices and so do we. With hundreds of cycle combinations to choose from, this awesome washer puts a whole new spin on doing laundry.

BUILT-IN WIFI

Because multi-tasking is part of life. Built-in WiFi allows you to monitor and control your laundry anytime, from anywhere.

Comfort Products

Create your own comfort zone.

COMFORT PRODUCTS
FEATURES

QUIET OPERATION 43 DBA

Come home to peace, quiet and comfortably cool air. The quietest window AC on the market*, this virtually noise-free unit operates at a peacefully low 43 dBA.
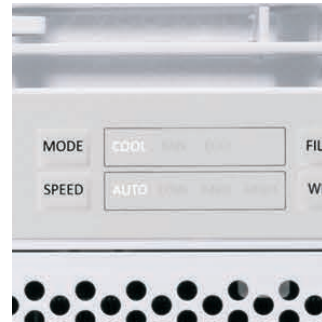

COOL, FAN, ENERGY SAVE, DEHUMIDIFY

Multi-tasking has never been so cool. Stay comfortable, circulate air, reduce humidity and save energy—all in one unit.

3 COOL/3 FAN SPEEDS PLUS AUTO COOL

Create your own comfort zone. Multiple fan speeds deliver personalized comfort, while auto cool adjusts fan speed depending on your cooling needs.
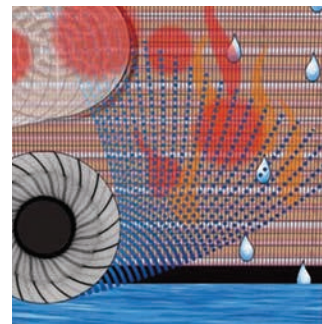

AUTO EVAPORATION TECHNOLOGY

Breathe healthier and happier with a touch of moisture in the air. Turbine fan sprays water onto condenser coils, where it evaporates into water vapor.
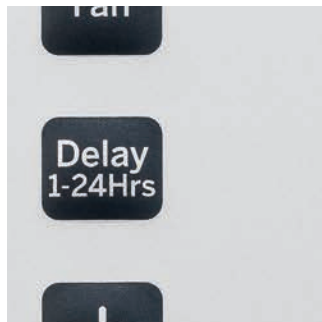

24-HOUR TIMER

Because you have a 24/7 lifestyle. Program the unit to turn on or off at any time between one and twenty-four hours.

4-WAY AIR DIRECTION

Go your own way. For optimum comfort and control, direct the cooling air flow exactly where you want it.

BUILT-IN WIFI

Wherever you are, always stay cool and connected. Wirelessly control window air conditioner functions from your smartphone.

*Based on third-party testing of average sound ratings of major brand's 6,000 BTU Window Air Conditioners. Major brands are defined as brands with the top 5 TraQline market share. TraQline study 2014. See product overviews for model-specific features.

- Cools Rooms up to 600 Sq Ft
- Electronic Digital Thermostat with Remote
- 3 Cooling/3 Fan Speeds
- Cool, Fan and Dehumidify Modes

- 24-Hour On/Off Timer
- 4-Way Air Direction
- Easy-Access Washable Filter
- Extended Length Window Kit- 4(X)
- Auto Evaporation Technology

Also available in the following:
13,500 BTU, 8,000 SACC PORTABLE AIR CONDITIONER WITH 11,000 BTU HEAT – HPND14XHT

DUCTLESS
PACKAGES

Tempo SERIES

TEMPO SERIES
Ideal for areas like sunrooms and garages, these units can heat in outdoor temps down to -4ºF(-20ºC) and cool up 115ºF(46ºC).

- Efficiency ratings of 16 SEER/9 HSPF
- 9,000 BTU, 12,000 BTU, 18,000 BTU and 24,000 BTU capacities available
- Contains inverter technology
- WiFi optional*
- Single-zone options available

SMART
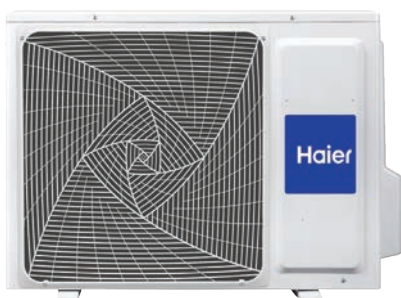

Advanced SERIES

ADVANCED & ADVANCED PLUS SERIES
ENERGY STAR® certified, these advanced systems deliver the highest efficiencies and whisper-quiet operation.

- Efficiency rating of up to 23.5 SEER
- 9,000 BTU, 12,000 BTU, 15,000 BTU, 18,000 BTU and 24,000 BTU capacities available
- Adjustable air blades
- WiFi optional*
- Single-zone options available

ENERGY STAR   SMART

TO SEE THE FULL LIST OF HAIER DUCTLESS UNITS, VISIT HAIERAPPLIANCES.COM

*U+ Connect Module is required and sold separately.
It is available for order on geappliances.com, part number PBX23W00Y0.

Arctic SERIES

ARCTIC SERIES

Offering year-round efficiency, these cold-resistant heat pumps deliver 100% rated heating at 5ºF(-15ºC) and comfortably warm air at -22ºF(-30ºC).

- Contains inverter technology
- Base pan heater included to prevent ice buildup
- WiFi optional*
- Single-zone options available
- Multi-zone options available

ENERGY STAR

SMART

FlexFit SERIES

FLEXFIT & FLEXFIT PRO SERIES

Cost effective and versatile, this modular system allows for an optimal combination of ductless indoor and outdoor units.

- Indoor and outdoor unit compatibility up to 18 SEER
- Indoor unit options include wall mount, slim duct and cassette type models
- WiFi optional*
- Single zone options available
- Multi-zone options available

SMART

DEHUMIDIFIERS

HEN30ET
30 PINT PER DAY CAPACITY
- Electronic Digital Humidistat
- 2 Fan Speeds
- 24-Hour On/Off Timer
- Front Bucket Access

- Bucket Full Indicator
- Easy-Access Washable Filter
- Auto Defrost

HEH50ET
50 PINT PER DAY CAPACITY
- Electronic Digital Humidistat
- 2 Fan Speeds with Smart Dry
- 24-Hour On/Off Timer
- Front Bucket Access

- Bucket Full Indicator with Audible Alarm
- Easy-Access Washable Filter
- Auto Defrost

• HEN70ETF
70 PINT PER DAY CAPACITY
- Electronic Digital Humidistat
- 2 Fan Speeds
- 24-Hour On/Off Timer
- Front Bucket Access

- Bucket Full Indicator
- Easy-Access Washable Filter
- Auto Defrost

Also available in the following:
70 PINT PER DAY CAPACITY WITH BUILT-IN DRAIN PUMP – HEN70ETFP

LIMITED WARRANTY INFORMATION

The condensed list below is a convenient overview of the written warranties offered on various Haier appliances described in this catalog for products manufactured on or after January 1, 2006. For complete warranty details on a specific Haier model, contact your nearest Haier supplier, or call Haier Customer Care, toll-free, 1-877-337-3639.

REFRIGERATION

REFRIGERATORS
ALL HAIER MODELS

For the period of	Haier will replace
One year from the date of the original purchase	**Any part** in the refrigerator which fails due to a defect in materials or workmanship. During the **limited one-year warranty,** Haier will provide, **free of charge,** all labor and related service costs to replace the defective part.

COOKING

RANGES, COOKTOPS, WALL OVENS, AND HOODS
ALL HAIER MODELS

For the period of	Haier will replace
One year from the date of the original purchase	**Any part** in the cooking product which fails due to a defect in materials or workmanship. During the **limited one-year warranty,** Haier will provide, **free of charge,** all labor and related service costs to replace the defective part.

OVER-THE-RANGE MICROWAVE OVEN
ALL HAIER MODELS

For the period of	Haier will choose to repair or replace
One year from the date of the original purchase	**Any part** of the microwave oven which fails due to a defect in materials or workmanship. During this **limited one-year warranty,** Haier will also provide, **free of charge,** all labor and related service costs to replace the defective part.

DISHWASHERS

DISHWASHER
ALL HAIER MODELS

For the period of	Haier will replace
One year from the date of the original purchase	**Any part** in the dishwasher which fails due to a defect in materials or workmanship. During the **one-year warranty,** Haier will provide, **free of charge,** all labor and related service costs to replace the defective part.

CLOTHES CARE

COMPACT DRYER
ALL HAIER MODELS

For the period of	Haier will replace
One year from the date of the original purchase	**Any part** in the dryer which fails due to a defect in materials or workmanship. During the **one-year warranty,** Haier will provide, **free of charge,** all labor and related service costs to replace the defective part.

WASHER/DRYER COMBINATION
ALL HAIER MODELS

For the period of	Haier will replace
One year from the date of the original purchase	**Any part** in the washer/dryer which fails due to a defect in materials or workmanship. During the **one-year warranty,** Haier will provide, **free of charge,** all labor and related service costs to replace the defective part.
Five years from the date of the original purchase	**Any part** of the cabinet assembly which fails due to a defect in materials or workmanship. During the **five-year warranty,** Haier will provide, **free of charge,** the cabinet assembly should the cabinet rust through. You will be responsible for any labor and related service costs.
Ten years from the date of the original purchase	The **inner stainless steel drum** if it should fail due to a defect in materials or workmanship. During the **ten-year limited warranty,** Haier will provide, **free of charge,** the inner stainless steel wash tub. You will be responsible for any labor and related service costs.

COMFORT PRODUCTS

AIR CONDITIONERS
WINDOW

For the period of	Haier will replace
One year from the date of the original purchase	**Any part** in the air conditioner which fails due to a defect in materials or workmanship. During the **one-year warranty,** Haier will provide, **free of charge,** all labor and related service costs to replace the defective part.

THROUGH-THE-WALL

For the period of	Haier will replace
One year from the date of the original purchase	**Any part** in the air conditioner which fails due to a defect in materials or workmanship. During the **one-year warranty,** Haier will provide, **free of charge,** all labor and related service costs to replace the defective part.

PORTABLE

For the period of	Haier will replace
One year from the date of the original purchase	**Any part** in the air conditioner which fails due to a defect in materials or workmanship. During the **one-year warranty,** Haier will provide, **free of charge,** all labor and related service costs to replace the defective part.

DEHUMIDIFIERS

For the period of	Haier will replace
One year from the date of the original purchase	**Any part** in the dehumidifier, purchased by a consumer for home use only, which fails due to a defect in materials or workmanship. During the **one-year warranty,** Haier will provide, **free of charge,** all labor required to repair or replace the defective part.

*See written warranty for complete details.

ACCESSIBILITY REQUIREMENTS

REFRIGERATORS
Uniform Federal Accessibility Standards (UFAS)

TOP-FREEZERS AND SIDE-BY-SIDES
Regulation #/Description:

4.2.6 Side Reach—If the clear floor space allows parallel approach by a person in a wheelchair, the maximum high side reach allowed shall be 54" and the low side reach shall be no less than 9" above the floor.

4.27.4 Operation—Controls and operating mechanisms shall be operable with one hand and shall not require tight grasping, pinching, or twisting of the wrist. The force required to activate controls shall be no greater than 5lbf (222N).

4.34.6.8 Refrigerators/Freezers—Refrigerator/freezers shall comply with 4.34.6.3. Provision shall be made for refrigerators which are: (1) Of the vertical side-by-side refrigerator/freezer type; OR (2) Of the over-and-under type and meet the following requirements: (a) Have at least 50 percent of the freezer space below 54" above the floor. (b) Have 100 percent of the refrigerator space and controls below 54".

American With Disabilities Act (ADA) Requirements
TOP-FREEZERS AND FRENCH-DOOR BOTTOM-FREEZERS WITH EXTERNAL DISPENSER CONTROL
Regulation #/Description:

804.6.2 & 804.6.6—Operable parts shall be operable with one hand and shall not require tight grasping, pinching, or twisting of the wrist. The force required to activate operable parts shall be 5lbf max.

309.4 EXCEPTION: Appliance door and door latching devices do not need to comply with requirement. 804.6.2. Refrigerators/freezers shall have at least 50 percent of the freezer space 54" max. above the floor. The clear floor or ground space shall be positioned for a parallel approach to the space dedicated to a refrigerator/freezer with the centerline of the clear floor or ground space offset 24" maximum from the centerline of the dedicated space. Preference for side-by-side and top-mount eliminated; bottom-mount now acceptable 804.6.6.

The following appliance categories meet criteria for both the Uniform Federal Accessibility Standards (UFAS) and the Americans with Disabilities Act (ADA) requirements.

WALL OVENS
SINGLE SELF-CLEAN OVENS
Regulation #/Description:

4.2.5—maximum high forward reach for controls and operating mechanisms is 48", minimum low forward reach is 15".

4.27.4—controls and operating mechanisms must be operable with one hand and shall not require tight grasping, pinching, or twisting of the wrist. The force required to activate controls shall be no more than 5lbf.

4.34.6.7—ovens shall have controls on front panels; they may be located on either side of the door.

ELECTRIC COOKTOPS
FRONT CONTROL
Regulation #/ Description:

4.2.5—maximum high forward reach for controls and operating mechanisms is 48", minimum low forward reach is 15".

4.27.4—controls and operating mechanisms must be operable with one hand and shall not require tight grasping, pinching, or twisting of the wrist. The force required to activate controls shall be no more than 5lbf.

4.34.6.6—if ovens or cooktops have knee spaces underneath then they shall be insulated or otherwise protected on the exposed surfaces to prevent burns, abrasions, or electrical shock. The location of controls for ranges and cooktops shall not require reaching across burners.

GAS COOKTOPS
Regulation #/Description:

4.2.5—maximum high forward reach for controls and operating mechanisms is 48", minimum low forward reach is 15".

4.27.4—controls and operating mechanisms must be operable with one hand and shall not require tight grasping, pinching, or twisting of the wrist. The force required to activate controls shall be no more than 5lbf.

4.34.6.6—if ovens or cooktops have knee spaces underneath then they shall be insulated or otherwise protected on the exposed surfaces to prevent burns, abrasions, or electrical shock. The location of controls for ranges and cooktops shall not require reaching across burners.

FREE-STANDING RANGES
ELECTRIC AND GAS
Regulation #/Description:

4.2.5—maximum high forward reach for controls and operating mechanisms is 48", minimum low forward reach is 15".

4.27.4—controls and operating mechanisms must be operable with one hand and shall not require tight grasping, pinching, or twisting of the wrist. The force required to activate controls shall be no more than 5lbf.

4.34.6.6—if ovens or cooktops have knee spaces underneath then they shall be insulated or otherwise protected on the exposed surfaces to prevent burns, abrasions, or electrical shock. The location of controls for ranges and cooktops shall not require reaching across burners.

MICROWAVE OVENS
BUILT-IN CONFIGURATION
Regulation #/Description:

4.2.5—maximum high forward reach for controls and operating mechanisms is 48", minimum low forward reach is 15".

4.27.4—controls and operating mechanisms must be operable with one hand and shall not require tight grasping, pinching, or twisting of the wrist. The force required to activate controls shall be no more than 5lbf.

DISHWASHERS
Regulation #/Description:

4.2.5—maximum high forward reach for controls and operating mechanisms is 48", minimum low forward reach is 15".

4.27.4—controls and operating mechanisms must be operable with one hand and shall not require tight grasping, pinching, or twisting of the wrist. The force required to activate controls shall be no more than 5lbf.

4.34.6.9—all rack space shall be accessible from the front of the machine for loading and unloading dishes.

CLOTHES CARE
Regulation #/Description:

4.2.5—maximum high forward reach for controls and operating mechanisms is 48", minimum low forward reach is 15".

4.27.4—controls and operating mechanisms must be operable with one hand and shall not require tight grasping, pinching, or twisting of the wrist. The force required to activate controls shall be no more than 5lbf.

4.34.7.2—washing machines and clothes dryers shall be front loading.

611.4* Height—Top loading machines shall have the door to the laundry compartment located 36" (915 mm) maximum above the finish floor. Front loading machines shall have the bottom of the opening to the laundry compartment located 15" (380 mm) minimum and 36" (915 mm) maximum above the finish floor.

ROOM AIR CONDITIONERS
Regulation #/ Description:

4.2.5—maximum high forward reach for controls and operating mechanisms is 48", minimum low forward reach is 15".

4.27.4—controls and operating mechanisms must be operable with one hand and shall not require tight grasping, pinching, or twisting of the wrist. The force required to activate controls shall be no more than 5lbf.

Warranty Information
All parts and accessories have a limited one-year warranty, with the exception of water filters, which have a 30-day warranty.

Limited One-Year Warranty
If your Haier part fails because of a manufacturing defect within one year from the date of original purchase, we will provide a new or, at our option, rebuilt part without charge. Return the defective part to the vendor from whom it was purchased with a copy of the "proof of purchase." If the part is defective it will be exchanged. This warranty does not cover parts which are improperly installed, damaged, abused or used for other than the intended purpose. It does not include cost of returning the part to the vendor from which it was purchased, labor to remove, install or diagnose the failure, parts used in commercial applications, incidental or consequential damage caused by possible defects with the parts.

Haier has a policy of continuous improvement of its products and reserves the right to change materials and specifications without notice.

BUILD THE KITCHENS
HOMEOWNERS LOVE

With offerings like easy-to-browse product specs, user-friendly ordering tools and on-time, damage-free delivery, GE Appliances is committed to making contract professionals' jobs simpler in every way.

Celebrating 60 years of dedicated support to builders.
