Table of Contents
Unparalleled choice.

Café lets style-conscious consumers choose from two bold collections of kitchen appliances. The Customizable Professional Collection boasts a distinct line of hardware options, and the Modern Glass Collection features a seamless, contemporary design.
Equal parts personality and performance.
Enjoy culinary-inspired features straight from professional kitchens, with a look that’s ownable and authentic.

Accessible luxury.
Relish upscale appliances, fit for any style and available to all.

Exercise creative control.
Design the kitchen around a unique style, not appliances.

A private sous-chef.
Create unique dishes and unforgettable moments with Gourmet Guided Cooking powered by Hestan Cue™ technology. It’s like having an extra set of hands.

Choices, choices.
Set the canvas with fingerprint resistant Matte Black, Matte White or Stainless finishes, and customize the hardware as a finishing touch. Or, reveal modern style with the reflective appearance of Modern Glass.
Performance that entertains.

Adorning every appliance in the Customizable Professional Collection is the signature Copper Cuff, which reinforces our commitment to design, quality and performance in the kitchen and beyond.
The Customizable Professional Collection

- **Stainless**
  Classic, versatile and compatible with a range of styles.

- **Matte White**
  A bright, clean aesthetic that adds warmth and light.

- **Matte Black**
  Strong, deep tones that leave a lasting impression.
“Whether I’m designing a modern, traditional, or farmhouse aesthetic, the Café™ lineup has everything I need to complete that one-of-a-kind showstopper kitchen.”

VICTORIA TIK, DESIGNER
Change your mind and your hardware anytime.

**Brushed Bronze**
A new take on old-world charm, with warm, inviting hues.

**Brushed Stainless**
Clean and refreshing, a staple finish in the kitchen.

**Brushed Copper**
An unexpected way to warm up the kitchen with bold and earthy tones.

**Brushed Black**
Subtle and natural, to accent the kitchen with darkened notes.
The Copper Cuff.

Adorning every appliance in the Customizable Professional Collection is the signature Copper Cuff, which reinforces our commitment to design, quality and performance in the kitchen and beyond.
Growing trends call for a forward-thinking approach to appliances—one that rethinks the use of materials. Café is pushing boundaries with the first glass appliance collection in its class. Join the glass conversation, and discover the latest way to reflect personal style in the kitchen.

The Modern Glass Collection

*Based on Top 25% price point of marketplace volume excluding Luxury and Laundry.*
“I am so excited about including the platinum glass finish by Café™ Appliances in my latest kitchen design. So often, a modern kitchen means a utilitarian and cold one, but with platinum glass I’m able to build in texture, color, and warmth while still keeping clean lines and incredible function.”

CLAIRE THOMAS, DESIGNER
Modern appeal.

This collection exudes simplicity with its clean lines, integrated design and a glass finish overlay. But beneath the surface, cutting-edge features make these appliances undeniably sophisticated.
Refrigeration

FEATURES

HUMIDITY CONTROL SYSTEM
A Humidity Control System provides an environment for leafy green vegetables to last 2 1/2 times longer* than standard vegetable drawers.

*Based on internal testing vs. similar size vegetable drawers with humidity controls from a leading competitor

LED LIGHT WALL
Relish the bright, uniform light of an LED light wall that spans the back wall of the refrigerator, illuminating the fresh food section so every item is easy to find.

UNIQUE STORAGE OPTIONS
Organize your freezer with ease, thanks to storage options that include five drawers, two tilt-out door bins, a slide-out shelf and more.

CONVERTIBLE DRAWER WITH SOFT FREEZE
Enjoy the flexibility of a convertible drawer with Soft Freeze with settings as low as 23 degrees or as high as 42°F, and keep items organized with sliding glass dividers.

KEURIG® K-CUP® BREWING SYSTEM
Brew your favorite morning latte or cappuccino from a Keurig K-Cup brewing system built directly into the refrigerator.

BUILT-IN WIFI POWERED BY SmartHQ™
Use your voice or smart device to schedule or preheat hot water, and receive notifications on your phone if the ice is empty or the door is ajar.
Under-Counter Entertainment

FEATURES

LED LIGHT WALL
Take lighting to the next level with an LED light wall that spans the back panel, illuminating the interior so every item is easy to find.

MAGNUM BOTTLE STORAGE
Chill up to eight 1.5 Lier bottles of wine or prosecco without scratching the label.

BUILT-IN WIFI POWERED
Control temperature settings and the LED light wall from anywhere and always get the latest connected home capabilities with updates.

FLUSH INSTALLATION
With built-in, flush-to-cabinet installation, this beverage center fits in perfectly with your home’s overall design.

ADJUSTABLE DIVIDERS
Keep fresh foods and drinks organized with an adjustable divider that maximizes flexibility and storage capacity in both drawers.

SOFT-CLOSE DRAWERS
Never let grabbing a quick snack interrupt a conversation, thanks to soft-close drawers that slide quietly closed.
Built-In Wall Ovens

**FEATURES**

- **PRECISION COOKING MODES**
  Confidently try new recipes and perfectly execute favorites, using a smart system that automatically tracks progress, modifies temperatures and adjusts cook times.

- **NEVER-SCRUB, SMOOTH-GLIDE RACK**
  Easily remove heavy dishes with a roller rack that is specially designed to glide smoothly and stay in the oven during the self-clean cycle.

- **HOT-AIR FRYING**
  Make “fried” foods healthy, thanks to a mode that crisps without using oil.

- **TRUE EUROPEAN CONVECTION WITH DIRECT AIR**
  Achieve unrivaled performance with the only system that delivers true top-down convection, providing consistent results with roasts and more.

- **NO-PREHEAT OPTIONS**
  Save time with a variety of Precision Cooking Modes that eliminate the need for preheating.

- **7" FULL-COLOR DISPLAY**
  Easily navigate wall oven settings using a stunning full-color display that adds an unexpected touch of style to the kitchen.
Five-in-One Ovens with Advantium® Technology

FEATURES

FIVE-IN-ONE OVEN
Enjoy a whole new level of cooking flexibility with a single oven that can be used in five different ways. Use it as a Convection Oven, Microwave, Toaster Oven, Warming/Proofing Oven, and Precision Cook Oven with Advantium Technology.

PRECISION COOKING MODES
Achieve oven-quality results in a fraction of the time as halogen light, microwave energy and True European Convection work together to provide the exact amount and type of heat your food needs, precisely when it needs it.

STEAM COOK BUTTON
Perfectly prepare fresh vegetables and rice with a steam cook option that simplifies the entire process.

7" FULL-COLOR DISPLAY
Easily navigate oven settings using a stunning full-color display that adds an unexpected touch of style to the kitchen.

CRISP REHEAT
Achieve crispy results at microwave speed with more than 20 reheat programs that make leftovers taste like new.

BUILT-IN WIFI POWERED BY SmartHQ™

120V: Eliminate the need for preheating and cook two- to four-times faster than with a conventional oven.

240V: Eliminate the need for preheating and cook four- to eight-times faster than with a conventional oven.

120V Eliminate the need for preheating and cook two- to four-times faster than with a conventional oven.

240V Eliminate the need for preheating and cook four- to eight-times faster than with a conventional oven.

120V Eliminate the need for preheating and cook two- to four-times faster than with a conventional oven.

240V Eliminate the need for preheating and cook four- to eight-times faster than with a conventional oven.
CONTROL MODE
Maintain a set temperature within one degree, thanks to a precise Control Mode that makes temperature-sensitive cooking methods simple.

SEALED COOKTOP BURNERS
Keep the kitchen sparkling even when there’s a spill, with sealed cooktop burners that contain messes for easy cleanup.

CONTROL LOCK CAPABILITY
Prevent unintended burner activation with control lock capability.

GOURMET GUIDED COOKING
Take culinary skills to the next level with Gourmet Guided Cooking by Hestan Cue™, which combines video-guided recipes from chefs with a system that automatically adjusts the time, temperature and cooking pace for perfect results.

GLIDE TOUCH CONTROLS
Make the cooking process as stylish as the food itself with touch controls that adjust heat with just one swipe.

20,000-BTU TRI-RING
Sear, fry and sauté on a 20,000-BTU burner.
GOURMET GUIDED COOKING
Take culinary skills to the next level with Gourmet Guided Cooking by Hestan Cue™, which combines video-guided recipes from chefs with a system that automatically adjusts the time, temperature and cooking pace for perfect results.

7" FULL-COLOR DISPLAY
Easily navigate oven settings using a stunning full-color display that adds an unexpected touch of style to the kitchen.

TRI-RING BURNER
Create an unforgettable dinner using a 21,000 tri-ring burner to do everything from searing scallops to simmering a lemon caper white wine sauce, plus a 15,000 Power Boil burner to boil water quickly for al dente angel hair pasta.

EDGE-TO-EDGE, SIX-BURNER COOKTOP
Entertaining for large groups is easy with the industry’s first double oven with a 30" six-burner, edge-to-edge cooktop that can accommodate cookware of all sizes, and a cast-iron integrated griddle that provides enough room to perfectly flip crab cakes, arepas and other crowd favorites.

IN-OVEN CAMERA
Monitor the progress of time-sensitive dishes without needing to open the oven door, using an in-oven camera that provides an interior view of cooking food from your smartphone via the SmartHQ™ app.

PRECISION COOKTOP SENSOR
Turn any pan into a smart pan and automatically maintain a set temperature within one degree, thanks to a cooktop sensor that provides total control from either the display or a smartphone.

7" FULL-COLOR DISPLAY
Easily navigate oven settings using a stunning full-color display that adds an unexpected touch of style to the kitchen.
Microwave Ovens & Ventilation

**FEATURES**

**COOKTOP LIGHTING**
Microwaves: Illuminate the cooking surface with crisp, energy-efficient LED cooktop lighting. Hoods: Watch the progress of every meal with bright, dual cooktop lighting that spotlights the cooking surface.

**CFM VENTING SYSTEM**
Microwaves: Remove smoke, odors and moisture with a three-speed, 300-CFM or 400-CFM venting system. Hoods: Remove smoke, odors and moisture with a 350- to 610-CFM venting system.

**REMOVABLE FILTER**
Microwaves: Keep the kitchen smelling fresh with an upfront charcoal filter, and know when to replace it with a helpful indicator light. Hoods: Eliminate hand-scrubbing with a removable, dishwasher-safe grease filter.

**BUILT-IN WIFI POWERED BY SmartHQ™**
Control the oven with a smartphone or voice commands through your home WiFi.

**SCAN-TO-COOK TECHNOLOGY**
Delegate simple cooking tasks to family members thanks to scan-to-cook technology. With just a scan of a barcode from the SmartHQ app, the microwave automatically adjusts cook settings based on package instructions.

**CHEF CONNECT**
Simplify cooking steps by using Chef Connect to automatically activate vents and surface lights when a range element is turned on, as well as sync the microwave and range clocks.
Dishwashers

FEATURES

ULTRA WASH AND DRY PLUS
Expect precision cleaning and superior dryness on fine china, dinnerware and even dishwasher-safe plastics, with exceptional features like Variable-Pressure Jets and Dual-Convection Ultra Dry.

LOADING FLEXIBILITY
Load dishes in any manner: A lower wash arm provides excellent coverage for the largest loads. The fold-down tines accommodate wide or oddly shaped items, and a third rack provides extra space for silverware and kitchen utensils.

ULTRA WASH AND DRY
Unload sparkling clean, table-ready dishes thanks to 90+ cleaning jets and an Ultra Dry system that deliver excellent results.

WASH ZONES
Save time and use less water when you don’t have a full dish load with a fully customizable cycle that lets you wash a true half load in the upper or lower rack.

ADJUSTABLE UPPER RACKS
Have enough room for fine stemware and tall bakeware with a rack that can be moved two inches up or down, creating the ultimate loading flexibility.

STATUS CENTER
Continue conversations without interruption and easily know when extra dinnerware is available via an LCD screen that displays the dishwasher cycle status.

ULTRA WASH AND DRY PLUS
Expect precision cleaning and superior dryness on fine china, dinnerware and even dishwasher-safe plastics, with exceptional features like Variable-Pressure Jets and Dual-Convection Ultra Dry.
Better when connected.

Experience the perfect blend of style and convenience with advanced home technologies that integrate Café™ appliances into a connected lifestyle.

Sophisticated systems allow owners to preheat the oven without ever leaving their party guests, automatically replenish their dishwasher pods, and receive notifications and important updates on a smart device. With connected appliances powered by SmartHQ™ from Café, there are endless ways to make home life effortless.

Café Appliances connected capabilities work with a variety of partners:

Modern Glass

Chic and sharp, the Modern Glass Collection gives kitchen design an edge. With clean lines and an ultra-reflective finish, it’s a striking departure from the stainless standard.
**27.6 CU. FT. SMART QUAD-DOOR, FRENCH-DOOR REFRIGERATOR**
C2E28DM5NS5
- Adjustable-temperature drawer with sliding glass dividers
- LED light wall
- Hands-free AutoFill
- Humidity-control system
- Flatbread freezer tray
- TernChe® evaporators

**5.1 CU. FT. BEVERAGE CENTER**
CC200M3PS5
- LED light wall
- Magnum 4-bottle storage
- Built-in WiFi powered by SmartHQ™
- Flush installation
- 14-bottle or 126-can capacity
- QuickSpace shelf
- Articulating door hinges
- Reversible door

**4.7 CU. FT. WINE CENTER**
CC200M3PS5
- LED light wall
- Magnum 8-bottle storage
- Built-in WiFi powered by SmartHQ
- Flush installation
- Dual zone temperature control
- 46-bottle capacity
- Articulating door hinges
- Reversible door

**WINE AND BEVERAGE CENTERS**

**30” SMART SINGLE WALL OVEN WITH CONVECTION**
CTD90DM2NS5
- Touchless open
- In-oven camera
- True European Convection with Direct Air (both ovens)
- Precision temperature probe
- Never-Scrub, heavy-duty, smooth-glide roller racks
- Self-clean with Steam Clean option
- 8-pass broil element

**Perfect Match Cooktops:**
- CGP9536 (Gas)
- CHP9536 (Induction), CEP9036 (Electric)

**30” SMART DOUBLE WALL OVEN WITH CONVECTION**
CTD90DM2NS5
- Built-in WiFi powered by SmartHQ
- True European Convection with Direct Air
- Precision temperature probe
- Never-Scrub, heavy-duty, smooth-glide roller racks
- Self-clean with Steam Clean option
- 8-pass broil element

**Perfect Match Cooktops:**
- CGP9536 (Gas)
- CHP9536 (Induction), CEP9036 (Electric)

**5.1 CU. FT. BEVERAGE CENTER**
CCR06BM2PS5
- LED light wall
- Built-in WiFi powered by SmartHQ
- True European Convection with Direct Air
- No-preheat options
- No-preheat air fry

**Perfect Match Cooktops:**
- CGP9536 (Gas)
- CHP9536 (Induction), CEP9036 (Electric)

**30” SMART DOUBLE WALL OVEN WITH CONVECTION**
CTD90DM2NS5
- True European Convection with Direct Air
- Never-Scrub, heavy-duty, smooth-glide roller racks
- Self-clean with Steam Clean option
- 8-pass broil element

**Perfect Match Cooktops:**
- CGP9536 (Gas)
- CHP9536 (Induction), CEP9036 (Electric)

**30” SMART SINGLE WALL OVEN WITH CONVECTION**
CKD70DM2NS5
- Built-in WiFi powered by SmartHQ
- Never-Scrub, heavy-duty, smooth-glide roller racks
- Self-clean with Steam Clean option
- Scan-to-cook
- 8-pass broil element

**Perfect Match Cooktops:**
- CGP9536 (Gas)
- CHP9536 (Induction), CEP9036 (Electric)

**REFRIGERATION**

**BUILT-IN WALL OVENS**

**WINES AND BEVERAGE CENTERS**
**BUILT-IN WALL OVENS**

**30” SMART BUILT-IN TWIN FLEX SINGLE WALL OVEN**
CT92D2M2NS5
- Two-in-one oven
- Built-in WiFi powered by SmartHQ™
- Large-capacity oven
- True European Convection with Precise Air
- 7” full-color display
- Easy-glide, Never-Scrub rack
- Precision temperature probe

Perfect Match Cooktops:
- CHP9536 (Induction)
- CEP9036 (Electric)
- CGP9536 (Gas)

**ADVANTIUM® OVENS**

**30” SMART FIVE-IN-ONE OVEN WITH 240V ADVANTIUM TECHNOLOGY**
CSB92M2NS5
- Five-in-one oven
- Speedcook
- 7” full-color display
- Crisp reheat
- Auto-sense
- 240V
- Steam cook

**30” SMART FIVE-IN-ONE OVEN WITH 120V ADVANTIUM TECHNOLOGY**
CSB91M2NS5
- Five-in-one oven
- Speedcook
- 7” full-color display
- Crisp reheat
- 120V
- Steam cook

**27” SMART FIVE-IN-ONE OVEN WITH 120V ADVANTIUM TECHNOLOGY**
CSB91M2NS5
- Five-in-one oven
- Speedcook
- 7” full-color display
- Crisp reheat
- 120V
- Steam cook

**COOKTOPS**

**36” SMART TOUCH-CONTROL INDUCTION COOKTOP**
CHP9362MSS
- Gourmet guided cooking
- Pan presence sensor
- Five induction elements
- White LED glide touch controls
- 11” 3,700-watt induction element
- Two 7” synchronized elements
- Multi-element timer
- Heated pan included

Perfect Match Wall Ovens:
- CTS90DF (Single)
- CTS90DF (Double)

**36” TOUCH-CONTROL ELECTRIC COOKTOP**
CEP9362NSS
- 12”/9”/6” burner with Power Boil
- Two 7” synchronized elements
- Red LED glide touch controls
- 9”/7”/5” element with Power Boil
- Five radiant cooking elements
- Griddle included

**36” GAS COOKTOP**
CGP9362MSS
- 20,000 BTU tri-ring burner
- White LED backlit knobs
- Extra-large, integrated cooktop griddle
- Precise Simmer burner
- Heavy-cast, edge-to-edge grates
- Sealed cooktop burners

Perfect Match Wall Ovens:
- CTS90DF (Single)
- CTS90DF (Double)

Limited Warranty Information

(See written warranty for complete details)

The condensed list below is a convenient overview of the written warranties offered on various Café™ appliances described in this catalog for products manufactured on or after January 1, 2006. For complete warranty details on a specific Café Appliances model, contact your nearest Café Appliances supplier, or call Café Appliances Service Factory, toll-free, 800.GE.CARES (800-432-2737).

Refrigerators, Wine and Beverage Centers, 50 lbs. / Refrigerator Ice Makers

ALL CAFÉ MODELS

For the period of

From the date of the original purchase

Any part in the refrigerator which fails due to a defect in materials or workmanship. During this limited one-year warranty, Café Appliances will provide, free of charge, all labor and related service costs to replace the defective part.

Any part in the sealed refrigeration system (the compressor, condenser, evaporator and all connecting tubing) which fails due to a defect in materials or workmanship. During this limited five-year warranty, Café Appliances will also provide, free of charge, all labor and related service costs to replace the defective part.

Over-The-Range and Countertop Microwave Ovens

ALL CAFÉ MODELS

For the period of

From the date of the original purchase

Any part in the microwave which fails due to a defect in materials or workmanship. During this limited one-year warranty, Café Appliances will also provide, free of charge, all labor and related service costs to replace the defective part.

The magnetron tube, if the magnetron tube fails due to a defect in materials or workmanship. During this limited one-year warranty, you will be responsible for any labor or in-home service costs.

Ice Makers

FOR REFRIGERATORS

ALL CAFÉ MODELS

For the period of

From the date of the original purchase

Any part in the ice maker which fails due to a defect in materials or workmanship. During this limited one-year warranty, Café Appliances will provide, free of charge, all labor and related service costs to replace the defective part.

Ranges, Cooktops, Wall Ovens, Warming Drawers and Broilers

ALL CAFÉ MODELS

For the period of

From the date of the original purchase

Any part in the cooking module which fails due to a defect in materials or workmanship. During this limited one-year warranty, Café Appliances will provide, free of charge, all labor and related service costs to replace the defective part.

The magnetron tube, if the magnetron tube fails due to a defect in the materials or workmanship. During this limited five-year warranty, Café Appliances will provide, free of charge, all labor and related service costs to replace the defective part.

Speedcook Ovens with Advantium® Technology

ALL CAFÉ MODELS

For the period of

From the date of the original purchase

Any part in the control panel which fails due to a defect in materials or workmanship. During this limited one-year warranty, Café Appliances will provide, free of charge, all labor and related service costs to replace the defective part.

For each product listed

What Café Appliances will not cover:

■ Service trips to your home to teach you how to use the product.■ Repair or replacement of house fuses or resetting of circuit breakers.■ Failure of the product if it is abused, neglected, or used for anything other than the intended purpose or used commercially.■ Damage to property caused by accident, fire, floods, acts of God, war or collision.■ Incidental or consequential damage caused by possible defects with the appliance.

EXCLUSION OF IMPLIED WARRANTIES: Your sole and exclusive remedy in product repair or replacement is as set forth in this written warranty. No other warranties are expressed or implied, including the implied warranties of merchantability or fitness for a particular purpose, are limited to one year or the shortest period allowed by law.

Accessibility Requirements

Refrigerators/Freezers

Uniform Federal Accessibility Standards (UFAS)

Regulation # Description

4.2.4 4.2.4 Side-by-Side – If the clear floor space above allows parallel approach by a person in a wheelchair, the maximum high side reach shall be 54” (1370mm) and the low side reach shall not be less than 19” (235mm) above the floor.

4.2.4.3 4.2.4 Operation – Controls and operating mechanisms shall be operable with one hand and shall not require tight grasping, pinching, or twisting of the wrist. The force required to operate controls shall be no more than 5 lbs.

4.2.4.3.6 4.2.4.3.6 – If one or all of the cabinets and/or control panels have knee spaces underneath them then they shall be insulated or otherwise protected on the exposed surfaces to prevent burns, abrasions, or electrical shock. The location of controls for ranges and cooktops shall not require reaching across burners.

Wall Ovens

SINGLE SELF-CLEAN Ovens

Uniform Federal Accessibility Standards (UFAS) and the Americans with Disabilities Act (ADA) requirements

Regulation # Description

4.2.4.5 4.2.4.5 High forward reach for controls and operating mechanisms is 48”, minimum low forward reach is 15”.

4.2.4.7 4.2.4.7 – Controls and operating mechanisms must be operable with one hand and shall not require tight grasping, pinching, or twisting of the wrist. The force required to operate controls shall be no more than 5 lbs.

4.34.6 4.34.6 – If one or all of the cabinets and/or control panels have knee spaces underneath them then they shall be insulated or otherwise protected on the exposed surfaces to prevent burns, abrasions, or electrical shock. The location of controls for ranges and cooktops shall not require reaching across burners.

Microwave Ovens

BUILT-IN CONFIGURATION

Regulation # Description

4.2.1 4.2.1 – Minimum high forward reach for controls and operating mechanisms is 48”, minimum low forward reach is 15”.

4.2.7 4.2.7 – Controls and operating mechanisms must be operable with one hand and shall not require tight grasping, pinching, or twisting of the wrist. The force required to operate controls shall be no more than 5 lbs.

Slide-in Ranges

Electric GAS AND ELECTRIC

Regulation # Description

4.2.5 4.2.5 – Minimum high forward reach for controls and operating mechanisms is 48”, minimum low forward reach is 15”.

4.2.7 4.2.7 – Controls and operating mechanisms must be operable with one hand and shall not require tight grasping, pinching, or twisting of the wrist. The force required to operate controls shall be no more than 5 lbs.

4.34.6 – If one or all of the cabinets and/or control panels have knee spaces underneath them then they shall be insulated or otherwise protected on the exposed surfaces to prevent burns, abrasions, or electrical shock. The location of controls for ranges and cooktops shall not require reaching across burners.

Adventium® Ovens

**CONSTRUCTION**

- **CONSTRUCTION MATERIALS**
  - Stainless steel
  - Brushed Stainless
  - Stainless Steel

**DIMENSIONS AND CABINET INSTALLATION (IN INCHES)**

**MODELS CSB932, CSB931, CSB932**

- **CUTOUT DEPTH**
  - 23-1/2" MIN.

- **CUTOUT WIDTH**
  - 24" MIN.

- **CUTOUT HEIGHT**
  - 23-1/2" MIN.

- **OVEN**
  - Overall height with trim: 42-3/8"

- **Runner and Bracing**
  - Runners and braces must support 275 lbs.

- **CABINET**
  - Overall width: 29-3/4"

**NOTES**

- Cabinets installed adjacent to wall ovens must have an adhesion spec of at least 194°F temperature rating.

Visit CafeAppliances.com for complete specifications.

Above illustrations intended for dimensional reference only. Refer to photography for actual product appearance.
Built-In Microwave Oven

30" BUILT-IN MICROWAVE/CONVECTION OVEN DIMENSIONS (IN INCHES)

MODEL CBB713

Note: Cabinets installed adjacent to wall ovens must have an airspace of at least 17°F temperature rating.

WEIGHTS & DIMENSIONS

Cabinet Installation (in inches)

A = Allow clearance of 5/8" from the top and 1-1/8" from the bottom.
B = Allow clearance of 2-3/4" from the side.

INSTALLATION BELOW A SINGLE OR DOUBLE WALL OVEN (IN INCHES)

MODEL CTW900

Note: Additonal clearance between cabinets may be required. Check to be sure that own supports above the warming drawer location do not obstruct the required clearance 22-1/2" depth and 9-1/4" height.

Visit CafeAppliances.com for complete specifications.
Above illustrations intended for dimensional reference only. Refer to photography for actual product appearance.

Undercounter Installation Dimensions (in inches)

MODEL CTW900

Electrical outlet

42" max. from right side

Electrical outlet

Each with side of cabinet 7" max.

Install a solid barrier below a cooktop

Install 2x4 or 2x2 anti-tip block against rear cabinet wall 9" from floor to bottom of black

A = 30" under cabinet 9" max.

B = Security hardware included

Dimensions (in inches)

2" min. above cabinet or adjust to own installation height

Note: Options include: CTW900P2PS1 (Brushed Stainless) or CTW900P2PB1 (Brushed Black)
**Cooking**

**Commercial-Style Rangtops**

**Features & Controls**
- Electronic
- Porcelain enamel
- Sealed

**Accessories**
- Optional Kits

**Appearance**
- Knob color
- Stainless
- Matte Black
- Matte White
- Brushed Stainless
- Brushed Bronze

**Specifications**
- 18,000 BTU
- 10,000 BTU
- 21,000 BTU
- 12,000 BTU
- 6 separate
- 6 with integrated griddle

**Dimensions and Installation Information (IN INCHES)**

**Model CGU36S**
- Overall dimensions
- Control panel projects forwards from standard depth cabinets.
- Control panel projects forward from standard-depth cabinets.
- Clearances from non-combustible materials are not part of the ANSI Z21.1/CSA 1.1 scope and are not certified by CSA. Clearances less than 12” must be approved by local codes and/or the authority having jurisdiction.

**Model CGU48S**
- Overall dimensions
- Control panel projects forwards from standard-depth cabinets.

**Installation Information:** Before installing, consult installation instructions packed with product for current dimensional data.

**Above illustrations intended for dimensional reference only. Refer to photography for actual product appearance.**

Hoods Dimensions and Installation Information (in inches)

**Universal Hoods**

The hood must be installed 34" min. above the cooking surface. For optimal performance, installing the hood more than 36" above the cooking surface is not recommended. The hood installation height above the cooking surface depends upon ceiling height. The telescopic duct cover conceals the ductwork running from the top of the hood to the ceiling. NOTE: Installation height should be measured from the cooking surface to the lowest part of the hood. However, when installed for recirculating operation, the optional charcoal filter JXCF71 will need to be purchased separately.

- **Model UVW8301**
- **Model UVW8304**
- **Models UVW9304, CVW9304, UVW9364, CVW9364**

**Hoods Dimensions and Installation Information (in inches)**

The vent hood must be installed 24" min. above the cooking surface. For optimal performance, installing the hood more than 36" above the cooking surface is not recommended. The hood installation height above the cooking surface depends upon ceiling height. The telescopic duct cover conceals the ductwork running from the top of the hood to the ceiling. NOTE: Installation height should be measured from the cooking surface to the lowest part of the hood. This hood may be installed onto a wall and vented to the outdoors, or it can be installed for recirculating operation. Parts for recirculating operation are supplied with the hood.
