WE CONNECT. WE SIMPLIFY.
WE LEAD.

LET'S CONNECT

The possibilities begin with a better way of doing business. More than helping complete all kinds of homes, we make sure we constantly respond to your evolving needs — continually proving ourselves as partners for the long run. Our nationwide sales and support team is dedicated to builder professionals, ready and able to help you throughout each phase of every project.

BUILDER FOCUS MODEL PROGRAM

GE Appliances is committed to our builder customers and has developed a Builder Focus Model Program to help homeowners select kitchen packages from our Café, GE Profile™, GE and Hotpoint brands. These are a collection of high-volume SKUs, by brand, to drive improved availability.

GE Appliances helps you conserve energy and save money. We have been an ENERGY STAR® Partner since 2001. We are committed to creating energy-efficient, high-performance household appliances.

Compliant with the Americans with Disabilities Act.

Compliant with the Uniform Federal Accessibility Standards.

Chef Connect – For instant convenience, choose when to automatically sync clocks and the range elements with the microwave's or hood's surface light and vent. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by GE Appliances is under license. Other trademarks and trade names are those of their respective owners.

National Sanitation Foundation.

Appliances with built-in WiFi powered by SmartHQ™ that offer remote monitoring and enhanced features are indicated by this icon.

This mark indicates that a product has voice-assistance capabilities.

Appliances with this icon are Made in America and contain 70% to 90% U.S. content. Product content details at GEAppliances.com/USA.

LET'S IMAGINE WHAT'S NEXT

With over a century of providing appliances in our history, we're still looking forward, constantly, even obsessively, exploring new ways to innovate for our customers and the future of home — any kind of home. With industry awards such as Best of IBS Home Tech Product for GE Profile UltraFast Combo and Best of KBIS Connected Home for GE Profile Induction Cooktop, you can be sure we'll help you build the future.

to access all of our tools.

HAVE QUESTIONS?

Have questions about your new appliance? Get them answered with a simple scan. Every new GE appliance, across all of our brands, is equipped with a unique, scannable QR code on its model tag that unlocks the owner's manual, parts and accessories, how-to videos and more. Whether walking a homebuyer through new home orientation, training a new maintenance manager or moving in a new tenant, save time with easy-to-access information and support. **Watch this video to learn more** ▶

STEP 1

Locate the QR code on your appliance.

Scan the QR code.

ELEVATE EVERYTHING.

We are redefining the world of luxury appliances, one detail at a time. With uncompromising attention to every detail, Monogram appliances truly Elevate Everything™ in luxury kitchens. Monogram's Minimalist and Statement Collections, featuring rich materials and precise design, are crafted with style that endures.

See the latest from Monogram on our social channels.

STATEMENT COLLECTION

TRADITIONAL STYLE WITH UNPARALLELED PERFORMANCE

The Monogram Statement Collection brings modern design together with traditional kitchen appliance features. Edge-to-edge handles and robust knobs feel integrated into the appliances. The gleaming stainless steel finish is set off with solid brass accents, wide glass windows, and rich, interactive LCD displays. Restaurant-inspired features invite you to take on any cooking aspiration while the smart appliances effortlessly sync your kitchen with your life.

IT'S IN THE DETAILS

- *Edge-to-Edge Handles with Brass End Caps*
- *Brass Burner details*
- *Signature Wide Windows*
- *Substantial Knobs with Brass Accent*

MINIMALIST COLLECTION

SIMPLE
ELEGANCE
WITH
INCOMPARABLE
PERFORMANCE

The Minimalist Collection further streamlines even the most contemporary kitchen with flush installation and only the most essential hardware. Its expansive glass design reflects our keen eye for detail and functional aesthetic. Interactive LCD screens and push-to-open oven doors are modern details with a powerful purpose — heightening your culinary experience. And smart appliance features are the modern convenience you didn't realize you needed.

DEFINING DETAILS

- *Precisely Machined Metals*
- *Interactive LCD Screens*
- *Push-to-Open Oven Doors*
- *Expansive Glass*

BUILDER PROGRAMS

CONSUMER REBATE

The One for You, One for Free rebate starts with Monogram professional ranges: receive up to three free eligible Monogram appliances or generous credits toward the appliances of your choice.

PREFERRED BUILDER PROGRAM

A trade discount off UMRP is available to qualified Builders and Designers who specify a minimum of 8 pieces of Monogram a year.

ELEVATED BUILDER PROGRAM

An enhanced trade discount for Builders who commit to specifying a minimum of 25 pieces of Monogram in a calendar year.

Reach out to your Area Sales Manager or Monogram Sales Manager to ask how you can take advantage of these programs.

MONOGRAM SUPPORT OPTIONS

Monogram-Specific Call Agent

This dedicated support line offers prioritized support for Builders and Resellers to order parts, schedule service, and give advice on products.

DISTINCT BY DESIGN™

Customizable kitchen appliances with distinct design

The Café brand of kitchen appliances offers two collections unlike any other. The Customizable Professional Collection in matte black, matte white and stainless showcases designer-curated hardware options, while the Modern Glass Collection features a platinum glass finish and sophisticated design. The choices let style-conscious consumers reflect their personal style.

LAUNDRY PACKAGE

Profile™

Ultrafast Combo

Space-Saving, Time-Saving Technology

ULTRAFAST COMBO

Easy Installation

Plugs into standard 120v outlet and no need for a dry exhaust vent.

Complete Cycle in 2 Hours*

Wash + dry a large load of laundry in about 2 hours* without the hassle of transferring clothes between two machines.

Greater Energy Savings

50% more energy efficient drying** with Ventless Heat Pump.

GE Profile™ 4.8 Cu. Ft. Capacity
UltraFast Washer/Dryer Combo
with Ventless Heat Pump Technology

PFQ97HSPVDS

- 2-in-1 Washer/Dryer
- Fast Airflow Drying System
- Easy Installation, 120V and no dryer vent

*Based on completing the Normal Wash + Dry cycle with Eco Dry using a 10-lb. DOE or Mixed Load in about 2 hours. See Use & Care.

**Efficiency rating as compared to the requirements for ENERGY STAR qualification for standard electric dryers.

COMMERCIAL LAUNDRY

Life is full of cycles

We're here to see you through them all.
Again. And again. And again.

GE® 3.8 Cu. Ft. Capacity Commercial Washer with Stainless Steel Basket

VTW565ASVWB

Commercial-Grade Components and Materials

Built to last with a heavy-duty agitator, ½ horsepower motor, stainless steel wash basket, galvanized steel cabinet, and metal transmission.

Protected with Microban®

Antimicrobial Technology built into high-touch elements on the control panel.

800 RPM Spin Speed

A higher spin speed maximizes water extraction.

Commercial Universal Coin Box

VKAUNICBT-GE®

Commercial Single Coin Drop

VTA56SCDT-GE®

Commercial Coin Housing Kit

VTA56CHKT-GE®

GE 7.7 Cu. Ft. Capacity Dryer, Standalone Unit

Commercial-Grade Components

This dryer is built to last, with upgraded hinges, knobs, door strength and close latches for long-lasting performance.

Protected with Microban®

Antimicrobial Technology built into high-touch elements on the control panel.

7.7 Cu. Ft. Capacity

Maximizes revenue with an extra-large capacity that delivers the drying experience that tenants and guests expect.

VTD56EASVWB - Electric

VTD56GASVWB - Gas
