Café™ Exclusive

Café offers a collection of modern kitchen appliance finishes that create a canvas to convey your unique style: Matte Black, Matte White, Stainless Steel, or Platinum Glass. And, our distinct line of customizable hardware options can complete your look with accents that truly distinguish your kitchen aesthetic.

Accessories

- | | | | | | |
|---|---|---|--|--|--|
| Brushed Stainless
A gentle shimmer of stainless steel brings about a subtle, modern kitchen mood. | Brushed Bronze
Bronze is back. This muted version mixes well with almost any color palette. | Brushed Black
Sleek and moody, this black has a slight sheen to make your appliances shine. | Brushed Copper
The warmth of copper without too much gleam gives your appliance a rosy glow. | Flat Black
Sophisticated and inviting, this head turning matte finish is an elegant addition to the kitchen. | Brushed Brass
Vibrant and striking, this finish is a rich accent to your appliances. |

SmartHQ™ Service

SmartHQ™ Solutions from GE Appliances, the first end-to-end smart solution that combines our full suite of services and appliances, is making us easier to do business with than ever.

Service

SmartHQ™ SOLUTIONS

Breakthrough service and diagnostic technology provides efficient solutions to diagnose and repair issues, creating a better ownership experience.

- Fast, accurate diagnostics
- Confident repairs
- Access to service history
- Quickly find repair parts

WX05X15005
Appliance Service Tool
With Software

SmartHQ™ SERVICE

This is **smarter cleaning.**

Our innovative front load washers have built in **Microban antimicrobial technology.**

This provides antimicrobial product protection on the gasket, dispenser, and draining system, to help prevent odors and ensure your appliance stays fresh and clean load after load.

Built-In Technology

PROTECTED WITH
MICROBAN®

The **First and Only Dishwasher** engineered to stay fresher and cleaner featuring the **UltraFresh System™ Dishwasher** with built-in **Microban® Antimicrobial technology.**

This revolutionary technology helps reduce 99% of bacteria growth on treated surfaces compared to untreated surfaces.

Only Genuine Replacement Parts from GE Appliances Featuring Microban® Technology.

Refrigeration

Easily install and maintain the efficiency and performance of the refrigerator by changing water lines & protecting the finish with easy-to-use cleaners.

Installation

PM08X10008 – 8' Length (Retail Pkg)

Universal Braided PEX Water Line

- 8' length for easily accessible installation
- PEX inner tube for improved ice and water taste
- Non-corrosive coating
- 1/4" inlet and outlet fittings
- NSF® certified
- Master carton qty 20

WX08X10012 – 12' Length (Installer Pkg)

- NSF (National Sanitation Foundation)
- 8' length for easily accessible installation
- PEX inner tube for improved ice and water taste
- Non-corrosive coating
- 1/4" inlet and outlet fittings
- NSF® certified
- Master carton qty 80

WX08X10006G – 8' Length (Retail Pkg)

Universal PEX Water Line

- Constructed of cross-linked polyethylene for greater durability
- Flexible material resists kinking
- Eliminates pitting and cracking for lasting performance
- No need for solder or torch for installation
- NSF certified
- Master carton qty 8

WX08X10006 – 8' Length (Installer Pkg)

*See performance data sheet for contaminant reduction information by model. Not all filters reduce all contaminants listed.
**Based on the use of Cryptosporidium parvum oocysts.

The Shabbos Keeper

For Refrigerators And Ranges

The Shabbos Keeper is the most advanced Shabbos keeping device of its kind. With the entire Jewish calendar built inside, it will automatically set your appliance to Shabbos mode each week and every Yom Tov, and also set it back to weekday mode after Shabbos.

Certified, Endorsed & Encouraged By

100% Kosher Certified

Part Number: SHABBOSKEEPER (Retail Pkg)
SHABBOS KEEPER for the Refrigerator

- Using Enhanced Shabbos Model (EHM) the Shabbos Keeper fully automates the compressor, auto-defrost, lights, sensors, thermistors and more
- Once set, it is programmed to automatically enter Enhanced Shabbos Mode 90 minutes before sunset Friday evening (to account for early Shabbos) and then revert back to weekday mode 90 minutes after sunset on Saturday night
- Interior lights stay on at reduced brightness during Shabbos Keeper Sabbath Mode
- Shabbos Keeper will store information during a power failure for up to 72 hours, ensuring the proper mode is activated when the power comes back on
- The Shabbos Keeper is simple to set up on more than 150 GE Appliances French-Door Bottom Freezer, Full-Door Bottom Freezer, and Side by Side refrigerator models
- Master carton qty 32

Part Number: SHABBOSKEEPEROVEN (Retail Pkg)
SHABBOS KEEPER for the Oven

- During Shabbos or Yom Tov, the oven door may be opened at anytime even while the oven is running. Using strict halachic guidelines, Zman Technologies developed a unique method, allowing the door to be opened and closed without affecting the heating or other functions. Tested and 100% kosher certified
- Uses two separate models for Shabbos and Yom Tov. On Shabbos, the oven will go into an automatic warm mode. On Yom Tov the oven will automatically cycle between warm and bake schedules so you can fresh cook your Yom Tov meals
- Effectively disables all sensors, alerts, lights, buttons and safety shut off features. Tested and 100% kosher certified
- Master carton qty 32

Available for purchase atzmantechtechnologies.com

Kosher Home Appliance Accessories

Gas Range Passover Kits

Each kit includes Grates, Burners, Burner Caps and Knobs

WB49XCR06L
GE Café "T" Series
• Fits CGS700P, CGS750P, C2S900P, C2S950P

WB49XGR04F
Free-Standing 4 Burner Range Passover Kit
• Fits JGB635, JGBS60, JGBS30, JGBS61

WB49XGR05F
Free-Standing 5 Burner Range Passover Kit
• Fits JGBS66, JGB735, JGBS86, JGB660

WB49XGR05S
Slide-In 5 Burner Range Passover Kit
• Fits JGS760, JGSS86, JGSS66

WB49XPR05J
GE Café "J" Series
• Fits PGB965, PGB935

WB49XPR05L
GE Café "L" Series
• Fits PGS930, P2S930 & PGS960

WB49XCR05T
GE Café "T" Series
• Fits CGS990, CGS980, CGS985, C2S980, C2S985

JXRACK3G
Self-Clean Oven Racks (3 Pack)
For use with 30" free-standing gas ranges
• Heat-resistant enameled racks are easy to maintain
• Racks can stay in oven during self-clean cycle, saving time
• Self-clean racks will not discolor or dull

Resellers establish their own resale prices and margin requirements.

Cooking

Keep the hub of the kitchen looking like new by upgrading the range with grates, griddles, drip bowls and more.

Installation

PM15X113 (Retail Pkg)
4' Universal Gas Range Connection Kit with Auto Shut Off

- Includes step-by-step instructions and everything needed for safe and easy installation of a gas range
- Helps prevent a hazardous buildup of gas
- For indoor or outdoor use
- Master carton qty 25

PM15X103 (Retail Pkg)
4' Universal Gas Range Installation Kit

- Fits most major brands
- For indoor or outdoor use
- Easy to install
- Master carton qty 25

PM15X105
4' Gas Range Connection

- Fits gas ranges requiring two 1/2" male pipe thread fittings
- Easy installation
- For indoor and outdoor use

WX15X107
5' Universal Gas Range Connector

- Safely and easily install any gas range
- Designed for all major brands

For more cooking parts, accessories and cleaning products, go to GEAPPLIANCEPARTS.COM. Parts must be ordered using parts account and NOT appliance account.

Microwave & Advantium®

Over the range cooking is a part of daily meal preparation. Quality filters and cleaners will help the microwave perform at its best.

Accessories

The Facts About Filters

- GE Appliances filters are an easy add-on sale to any GE over-the-range microwave or range hood
- Encourage your customers to stock up — filters need replacing every 6 months!
- Essential for creating and maintaining a pleasant cooking environment
- Effectively removes grease, smoke and odors from kitchen air
- Helps keep the microwave/hood operating at optimum efficiency
- Quick and simple to replace
- Grease filters — dishwasher safe; clean or replace when replacing charcoal filters

Microwave Replacement Filters

Dishwashers & Disposers

Install, maintain and upgrade the dishwasher and disposer with quality parts.

Installation

WX09X70910 – 5' 4" (Retail Pkg)
Universal 3-Prong Power Cord For Built-In Dishwashers
• Fits most major brands
• Includes all needed hardware for installation
• UL® listed
• Master carton qty 75
UL is a registered trademark of Underwriters Laboratories, Inc.
WX09X70911 – 7' 9" (Retail Pkg)

WX9X70914 – 5' 9" (Installer Pkg)
Universal 3-Prong Power Cord For Built-In Dishwashers With Right Angle Plug
• Right angle plug design for space-saving installation
• Universal design fits most major brands
• UL® listed
• Master carton qty 50

PM28X326 (Retail Pkg)
Universal 6' Dishwasher Connector Kit With Adapter
• Braided polymer for superior bursting strength and chemical resistance
• Includes garden hose connector as well as other parts needed for most standard replacements
• Fits most major brands
• Master carton qty 10
WX28X326 - 6' Connector (Installer Pkg) Master carton qty 10
WX28X327 - 12' Connector (Installer Pkg)

PM28X329 (Retail Pkg)
Universal Dishwasher Inst on Kit
• Provides everything needed to safely install any dishwasher
• Includes garden hose adaptor
• Includes universal 5' 4" 3-wire power cord and 6-ft. connector
• UL listed
• Master carton qty 10
WX28X330 (Installer Pkg)
• Master carton qty 20
Universal Dishwasher Installation Kit

For more Dishwasher/Disposal parts, accessories and cleaning products, go to GEAPPLIANCEPARTS.COM. Parts must be ordered using parts account and NOT appliance account.

Installation/Accessories

WX28X331 (Installer Pkg)
Non-Universal Dishwasher Install Kit with 3/4" Elbow

- Braided polymer for superior strength
- Includes 90 deg elbow 3/8" compression x 3/4" garden

WX28X329
Dishwasher Garden Hose Elbow

- 3/8" compression x 3/4" garden hose
- 90° elbow to connect water supply

WX28X404
12' Dishwasher Drain Hose

- Easy installation for dishwashers within 12" of drain access

WD24X10065
12' Dishwasher Drain Hose

- Easy installation for dishwashers within 12" of drain access
- Fits GE Appliances dishwasher models beginning with GDF, GDT, CDT and PDT

WX02X10001
Dishwasher Clamp

- Securely connects dishwasher hose to water pipe

WX28X320 (Installer Pkg)
Large-Port 10' Drain Hose 10' Universal Connector Kit

- For tall tub models
- Easy installation for dishwasher within 10' of drain/water access
- Master carton qty 5

WX28X321 (Installer Pkg)
Small-Port 10' Drain Hose 10' Universal Connector Kit

- For standard tub models
- Easy installation for dishwasher within 10' of drain/water access
- Master carton qty 5

WX7X5
Universal Dishwasher Tray

- Designed to direct water to the front of the dishwasher indicating the necessity for servicing
- Durable polypropylene resists cracking and will not rust or corrode
- Black Finish
- 24"W X 20.5"L X 1"D

EXCLUSIVE

GPF3RACK
Dishwasher Third Rack Accessory Kit

- Easily install the third rack accessory kit in plastic tub dishwasher
- For select plastic tub dishwashers only
- Upgrade your standard two-rack dishwasher with a third rack
- Easily clean an entire flatware collection, knives and small utensils with an additional rack across the top of the dishwasher

For more Dishwasher parts, accessories and cleaning products, go to GEAPPLIANCEPARTS.COM. Parts must be ordered using parts account and NOT appliance account.

Installation/Accessories

Dishwasher Rack Roller Kits (Installer Pkg)

- All parts needed to replace the dishwasher upper and lower studs and rollers
- Sold as kit only, no longer sold in singles

WX10X10022
Finish® Detergent Booster

- 14 oz. canister of booster crystals; lemon sparkle scent
- Can be added to pre-wash chamber or directly to bottom of dishwasher
- Supercharges detergent for crystal clear dishes
- Removes spots, residue and hard water film
- Removes tough, bleachable stains such as tea
- Removes mineral build up in your machine
- Safe for septic systems and contains no phosphorus
- Master carton qty 6

WX10X10210
Finish® Jet-Dry® Rinse Aid

- 16 oz. bottle handles 150 washes; use with detergent
- Works with detergent to rinse away stubborn leftover food, spots, and film for sparkling dishes, glasses and utensils
- Glass Protection ingredient for shinier & drier dishes
- Is automatically released in the rinse cycle after being added to the rinse aid dispenser
- Master carton qty 6

Finish® Dishwasher Cleaner

- 8.45 oz. bottle; recommended use = once a month
- Cleans, freshens, and helps maintain your dishwasher
- Hygienically cleans grease and lime scale from filters, spray arms, pipes and tubs
- Safe for septic systems and contains no phosphorus
- Master carton qty 6

Finish is a registered trademark of Reckitt Benckisher Group.

Disposers

GFC1020N
GE Appliances Continuous Feed Disposer

- Heavy-duty 1 HP motor
- 3,500-RPM grinding action
- Super capacity
- Stainless steel, dual-swivel, anti-jam grinding blades

GFC720N
GE Appliances Continuous Feed Disposer

- Heavy-duty 3/4 HP motor
- 3,100-RPM grinding action
- Super capacity
- Stainless steel, dual-swivel, anti-jam grinding blades

GFC520N
GE Appliances Continuous Feed Disposer

- Heavy-duty 1/2 HP motor
- 2,800-RPM grinding action
- Large capacity
- Stainless steel, dual-swivel, anti-jam grinding blades

GFC525N
Similar to GFC520N with attached line cord

GFC320N
GE Appliances Continuous Feed Disposer

- 1/3 HP motor
- 2,500-RPM grinding action
- Large capacity
- Stainless steel, dual-swivel, anti-jam grinding blades

GFC325N
Similar to GFC320N with attached line cord

Disposers & Accessories

PM3X215 (Retail Pkg)
Universal 3' Disposer Power Cord Kit

- Fits most leading brands of disposers
- UL® listed
- Master carton qty 3

UL is a registered trademark of Underwriters Laboratories, Inc.

WX10X311
Cerama Bryte® Disposal Cleaner

- Removes foul odors and keeps disposal and drains smelling fresh with a just-cleaned scent
- Cleans away food, grease and odors from disposal and the entire drain
- Most effective at removing the cause of odors by providing a superior, long-lasting cleaning
- 16-fl.oz. bottle
- Master carton qty 6

Cerama Bryte is a registered trademark of Cerama Bryte, Inc.

For more Disposal parts, accessories and cleaning products, go to GEAPPLIANCEPARTS.COM. Parts must be ordered using parts account and NOT appliance account.

Compactor Replacement Bags

WX60X1 (Retail Pkg)
Universal Compactor Bags

- Made with extra-heavy, 50% recycled plastic
- Extra-strength, high-quality design fits both rectangular and round models
- Package contains 15 bags each with ties
- Each compactor bag measures height: 32 inches x width: 27 inches
- Features a leak-proof flat seal at bottom of each bag
- Master carton qty 6

WX60X1-2PK (Retail Pkg)
Universal Compactor Bags

- Two Pack contains two boxes holding 15 trash bags each, 30 total, with ties

WC60X5015 (Retail)
12" Heavy-Duty Compactor Bags

- Fit a wide variety of trash compactors with a 12 inch width
- Each package contains 12 trash compactor bags

WC17X20082
Compactor Toe Kick
(All pieces required)

WC17X10019
Compactor Toe Kick

- Stainless Steel
- Optional stainless steel toe kick conversion

WC17X10008
Compactor Adjustable Panel

Clothes Care

Don't overlook washer maintenance. Regular inspection and installation of hoses will extend the life of the washer.

Installation

PM15X114 4' Universal Gas Dryer Installation Kit With Auto Shut Off

- Includes step-by-step instructions and everything needed for safe and easy installation of a gas dryer
- Helps prevent a hazardous build-up of gas
- For indoor or outdoor use
- Master carton qty 5

PM15X118 5' Universal Gas Dryer Installation Kit With Auto Shut Off

- Includes step-by-step instructions and everything needed for safe and easy installation of a gas dryer
- For indoor or outdoor use
- Recommended for use in California
- Master carton qty 5

PM15X104 4' Universal Gas Dryer Installation Kit

- Fits most major brands
- For indoor or outdoor use
- Master carton qty 25

PM15X112 5' Universal Gas Dryer Installation Kit

- Recommended for use in California
- Master carton qty 5

WX15X108 5' Stainless Steel Gas Dryer Connector Kit

- 5' long and 1/2" OD stainless steel gas connector
- 1/2" male pipe thread fitting (tapped 3/8" female pipe thread)
- 3/8" female pipe thread fitting
- Master carton qty 12

WX15X38 1/2 MIPX3/8 FIP SS Gas Dryer Connector Kit

- 4' long and 1/2" OD stainless steel gas connector
- 1/2" male pipe thread fitting (tapped 3/8" female pipe thread)
- 3/8" female pipe thread fitting

For more Clothes Care parts, accessories and cleaning products, go to GEAPPLIANCEPARTS.COM. Parts must be ordered using parts account and NOT appliance account.

Installation

WX14X10010
Universal Dryer Steam Kit With Brass Y

- Includes everything needed for a safe and easy installation of a steam dryer
- Y Connector
- Reinforced rubber 1' cold water valve extension hose
- Reinforced rubber 5' steam dryer hose
- 5 flat rubber coupling washers

PM14X10012 (Retail Pkg)
Universal SS Steam Dryer Kit

- Includes everything you need to install your steam dryer
- Y Connector
 - Reinforced stainless steel 1' cold water valve extension hose
 - Reinforced stainless steel
 - 5' steam dryer hose
 - 5 flat rubber washers
 - Burst resistant
 - Triple Ply design

WX14X10012 (Installer Pkg)

PM08X10078 (Retail Box)
Universal Dryer Vent Close Elbow

- Helps improve dryer efficiency
- Fits most electric and gas dryers
- Turns 90 degrees within 4"
- Includes one male and one female rotating snap-lock fitting
- Master carton qty 8

EXCLUSIVE

PM08X10085 – 8' Length (Retail Box)
GE Appliances Exclusive Universal Flexible Metal Transition Dryer Duct

- 5 layers of aluminum
- Flexible duct design allows for 90-degree turns
- No elbows needed
- Crush-resistant for enhanced air flow
- UL® listed
- Master carton qty 6

WX08X10086 – 8' Length (Retail Bag)
Dryer Flexible Metal Transition Duct
Master carton qty 18

PM8X73 (Retail Pkg)
Universal Flexible Dryer Duct

- Flexible design allows for ease of installation
- Made from heavy-duty, 4-ply aluminum foil laminate
- 8' x 4" diameter (fully extended)
- UL listed
- Master carton qty 12

WX8X73 (Installer Pkg)
Universal Flexible Dryer Duct

- WX8X74**
50' Flex Universal Dryer Duct
- Fits most leading brands of electric and gas clothes dryers
 - 50' length x 4" diameter
 - Made from durable, 4-ply aluminum foil laminate
 - Flexible design allows for ease of installation
 - Allows flexibility to cut based on installation requirements
 - UL® Listed (a maximum of 8" sections shall be used per UL2158A)
 - Fire resistant (tested per UL2158A)

UL is a registered trademark of Underwriters Laboratories, Inc.

For more Clothes Care parts, accessories and cleaning products, go to GEAPPLIANCEPARTS.COM. Parts must be ordered using parts account and NOT appliance account.

Installation

- WX08X10130-100PK**
Spring Tension Clamp
- For use with multiple venting applications
 - 50 pairs, (2) 4" adjustable metal clamps
 - Consist of 100 total clamps
 - Works with 4" diameter aluminum ducting dryer vent

- WX08X10131-50PK**
Dryer Worm Gear Clamps
- For use with multiple venting applications
 - 50 pairs, (2) 4" adjustable metal clamps
 - Consist of 100 total clamps
 - Works with 4" diameter aluminum ducting dryer vent

- PM8X85**
Universal Outdoor Dryer Exhaust Hood
- Provides maximum venting of heated dryer air
 - 4" plastic wide-mouth vent hood with 11" tail piece
 - Master carton qty 18
 - Weatherproof design

- DSDR24F**
GE Appliances Stack Rack
- For use with portable or stationary washers and dryers
 - Rack allows dryer to be stacked above washer
 - For use with up to 24"-wide portable or stationary washers and DSKS model dryers

WE01X22274
Optional Dryer Rack

- WE25X10028**
GE Appliances Washer/Dryer Stack Bracket Kit
- Stacking kit for GE Appliances 27" front load washers and dryers
 - Ensures proper installation for GE Appliances 27" front load laundry
 - Same as GEFLSTACK

UNIVSLND50PK
Universal Gas Dryer Solenoid Kit Pack
• 50 individually bagged solenoid 2-packs into printed display box
• Includes 3 Prong Solenoid – WE4X692
• Includes 2 Prong Solenoid – WE4X693
• 1-year warranty

PM7X2 – WHITE
Universal Low-Profile Washer Floor Tray
• Protects floor from scuffs and spills
• Low-profile washer tray allows pedestal drawer to fully extend open without having to lift the washing machine
• Ideal for 2nd floor laundry rooms
• PVC connector included and easily attaches to floor drain for added protection
• Holds 27.5 liters/6.78 gallons
• Dimensions: 29" x 33" interior (31" x 35" exterior), 1.64" deep

PM7X1 (Not Shown)
Universal Washer Floor Tray
• Dimensions: 27" x 30" interior, (30" x 32" exterior), 2" deep
• Not for pedestal use

Accessories

WX17X10001CA
Universal Anti-Vibration Pads
• Help reduce noise and vibration from washers and/or dryers
• Protect floors
• For use with most major brands
• Contains 4 pads
• Master carton qty 4

WX10X312
Cerama Bryte® Washer Cleaner
• Removes abrasives harmful to laundry
• Keeps machines working their best
• Safe for all models
• 16-oz. bottle, contains 4 uses
• Master carton qty 6

Cerama Bryte is a registered trademark of Cerama Bryte, Inc.

Dryer Rack
• For 8.3 and 8.0 ft Front Load Dryer
• To dry heavy or delicate items, such as shoes or sweaters
• The rack keeps the items flat and secure as the tumbler rotates

Profile™

UltraFast Combo with Ventless Inverter Heat Pump Technology

Easy Installation
Plugs into standard 120v outlet and no need for a dryer exhaust vent

50% More Energy Efficient Drying
with Ventless Heat Pump

WASH + DRY in 1 machine
This is **smarter cleaning.**

Installation

**WX14X10011 – 6' Length (Installer Pkg)
Universal Stainless Steel Washer Hoses
With 90° Elbow (2-Pack)**
• Master carton qty 8

**WH41X10207 – 4' Length (Installer Pkg)
Washer Rubber Inlet Hose (2-Pack)**
• 800 PSI strength for greater durability
• Woven polyester reinforcement adds strength, reduces stretching and deterioration

**WH41X36697
Washer Hoses Uncoupler with Cap**
• Hose and coupler assembly lets you connect the washer to a sink faucet to fill and drain

**WX14X10014
2-Way Washer Hose Splitter**
• Provides ability to split either the HOT or COLD water supplies. Two kits required for this installation
• Kit includes: 1' stainless steel hose, y-adapter with male threaded connections, two rubber washers
• Compatible with rubber or stainless-steel hoses

**PM14X10056 (Retail Pkg)
Universal Appliance Brush Set**
• Ideal for cleaning hard-to-reach areas, such as refrigerator coils, dryer lint areas and air conditioner coils
• Master carton qty 8

**GFAPC120V
4-Prong 240V to 120V Ultrafast
Combo Plug Adapter**
• 4 prong 240V plug converter for two 120V outlets
• 14-30P plug, with QVNU2 supplementary protection
• Intended for use with electric 120V 15 A UltraFast Combo PFG97HSPVDS

**WX08X10070
4" Duct Vent Cap**
• Durable bump & heat resistant PVC construction
• Used to terminate a round 4" duct previously used by a vented dryer
• Readily fits a 4" duct pipe and can be fastened with a flat head screwdriver with the included hose clamp

**WH01X35719
Filter Foam Pad**
• Sponge pad for combo foam filter
• Foam filter traps lint and debris

**WH49X316
Washing Machine Drain Hose
Extension Kit**
• Fits models GFWN1100, GFWH1200, GFWH1400, GFWS1500, GFWN1600, GFWS1700, GFWS1705, GFW400, GFW430, GFW450, GFW148, GNW128, QFW150

**PM7X2 – WHITE
Universal Low-Profile Washer
Floor Tray**
• Protects floor from scuffs and spills
• Low-profile washer tray allows pedestal drawer to fully extend open without having to lift the washing machine
• Ideal for 2nd floor laundry rooms
• PVC connector included and easily attaches to floor drain for added protection
• Holds 27.5 liters/6.78 gallons
• Dimensions: 29" x 33" interior (31" x 35" exterior), 1.64" deep

Home Water Products

Whether installing at point of water entry or under the sink, GE Appliances has the right system to filter and improve the water for the entire home.

Reverse Osmosis Systems-Point of Use

Reduces
Chlorine Taste & Odor

GXK285JBL

GE High Flow Filtration System

- Dual-flow filtration process—1.1 gallons per minute
- Lead reduction
- Filtered water through existing faucet
- Dedicated controller turns filtration on/off
- Quick-replace filter—no water shutoff needed
- Recommended filter replacement every 6 months
- System includes: Filtration system, dual-flow filters, chrome filtration controller, batteries, tubing & fittings
- Replacement filter: FQK2J

For more Home Water parts, accessories and cleaning products, go to [GEAPPLIANCEPARTS.COM](https://www.geappliances.com). Parts must be ordered using parts account and NOT appliance account.

NOTE: Refrigerator filters can be found in the refrigerator section (pages 10-12)

Whole Home And Undersink Filtration

GXWH70M
GE Smart Whole-Home Filtration System

- Built-in WiFi powered by SmartHQ™ (leak detection, remote water shutoff, consumption tracking, filter change reminders)
- Lead reduction with FTHLM
- High or standard flow
- Premium filtration (filter sold separately)
- Easy install (push-to-connect fittings)
- 3-position valve with by-pass option for drier filter change
- Compatible filters: FTHLM (Premium) FTHM (Advanced) FTHPM (Basic)
- Filter not included

GXWH50M
GE Whole Home Filtration System

- Lead reduction with FTHLM
- Easy install (push-to-connect fittings)
- High or standard flow
- Premium filtration (filter sold separately)
- Easy install (push-to-connect fittings)
- 3-position valve with bypass option for drier filter change
- Includes magnetic filter reminder light
- Compatible filters: FTHLM (Premium) FTHM (Advanced) FTHPM (Basic)
- Filter not included

GXWH35F
GE High Flow Whole House Filtration System

- High flow
- Customize filtration – filter sold separately
- Reduces dirt, silt, sand and rust from your water
- Red pressure release button for drier filter change
- Includes magnetic filter reminder light, wrench and mounting bracket
- Replacement filters: FXHTC (Advanced) or FXHSC (Basic)
- Filter not included

GXWH40L
GE High Flow Whole House Filtration System With Clear Sump

- High flow
- Customize filtration – filter sold separately
- Clear sump to view filter soil level – reduces dirt, silt, sand and rust from your water
- 3-position valve with bypass option and red pressure release button for drier filter change
- Includes magnetic filter reminder light, wrench and mounting bracket
- Replacement filters: FXHTC (Advanced) or FXHSC (Basic)
- Filter not included

GXWH20S
GE Standard Flow Whole House Filtration System With Clear Sump

- Standard flow
- FXUSC filter included
- Clear sump to view filter soil level–reduces dirt, silt, sand and rust from your water
- 3-position valve with bypass option and red pressure release button for drier filter change
- Includes magnetic filter reminder light, wrench and mounting bracket
- Replacement filter: FXWTC (Advanced), FXUSC (Basic), FXWPC (Basic) or FXWSC (Basic)
- Filter included

GXWH04F
GE Standard Flow Whole House Filtration System

- Standard flow
- Customize filtration– filter sold separately
- Reduces dirt, silt, sand and rust from your water
- Red pressure release button for drier filter change
- Includes magnetic filter reminder light, wrench and mounting bracket
- Replacement filter: FXWTC (Advanced), FXUSC (Basic), FXWPC (Basic) or FXWSC (Basic)
- Filter not included

GX1S01R
GE Drinking Water Filtration System

- Lead reduction with FXUVC or FXULC
- System installs below kitchen sink
- Filtered water recommended through dedicated faucet (UNFCTFBL - Faucet sold separately)
- 6-month filter life (varies with local water conditions)
- Filter not included
- Replacement filters: FXUVC (Advanced), FXULC (Advanced), FXUTC (Basic)

For more Home Water parts, accessories and cleaning products, go to GEAPPLIANCEPARTS.COM. Parts must be ordered using parts account and NOT appliance account.

Whole Home And Undersink Filtration

GXK185KBL
GE Single-Stage Drinking System Water Filtration System

- Lead reduction
- Dedicated controller turns filtration on/off
- Quick-replace filter–no water shutoff needed
- Recommended filter replacement every 6 months
- System includes: Filtration system, dual-flow filters, chrome filtration controller, batteries, tubing & fittings
- Replacement filter: FQK1K

Reduces
Chlorine Taste & Odor
Sediment
Lead

- GXULQK**
GE High Flow Faucet Filtration System
- Lead reduction
 - Single-stage filtration means water is filtered once
 - High-flow filtered water through main faucet
 - Magnetic filter change reminder light
 - Quick-replace filter–no water shutoff needed
 - Recommended filter replacement every 6 months or 2,000 gallons
 - Filter included
 - Replacement filter: GXULQR

Understanding the options available to home water filtration will help your customer decide what choice is right for them.

- **Whole Home Filtration**
Connects to your home's main water line as the water enters the home to reduce sediment, scale, dirt and rust in your water.
- **Under-Counter Filtration**
Installed near your kitchen tap as a dedicated faucet mount. Water is triple filtered to provide top-quality drinking water reducing many contaminants such as lead or asbestos.
- **Single-And Dual-Stage Filtration**
Water is filtered once through Single Stage filters and twice through Dual Stage filters, the space saving design of this system is typically installed under your sink.

Whole Home And Undersink Filtration Accessories

- UNFCTFBL**
Filtered Water Faucet
- Chrome faucet with black accents
 - Installation kit included

- UCRING/WS03X10038**
Replacement O-Rings with Lubricant
- Replacement O-ring for standard whole house and open sump under sink filtration systems
 - Fits standard whole house filtration systems and under sink systems

- UCWRNCH**
Universal Carbon Filter Wrench
- Used to replace filters in under sink and standard whole house filtration systems
 - Compatible with GE models: GX1S01C, GX1S01R, GXRM10RBL, GXWH04F and GXWH20F

- HHRING**
Replacement O-Rings with Lubricant
- Replacement O-ring for high flow whole house systems
 - Fits GXWH30C, GXWH35F, GNWH38F, GNWH38S and GXWH40L

- HHWRNCH**
Universal Sump Wrench
- Allows for easy removal of high flow whole house filtration system sump
 - Compatible with GE Appliances models: GXWH40L, GXWH38S AND GXWH35F

Water Heaters

Depending on your water heater's performance is crucial, and with quality genuine GE Appliances Accessories you'll always have hot water when you need it.

Accessories

PM7X7-6PK
24" Water Heater Drain Pan W/Cpvc
• Box contains 6 Drain Pans
• Gasket & Locknut
• Drain Fitting
• Side Drain Location in Pan
• Recommended for 22" and under Water Heater diameter

PM7X10-6PK
28" Water Heater Drain Pan W/CPVC
• Box contains 6 Drain Pans
• Gasket & Locknut
• Drain Fitting
• Side Drain Location in Pan
• Recommended for 26" and under Water Heater diameter

SPLK30N01A
3-1 SmartHQ™ Leak Detect Kit
• Reduce risk of water damage with 24/7 push notifications via the SmartHQ app
• Easily connects to the SmartHQ app 9iOS and Android
• Wireless operation offers flexible installation and placement right where you need it
• Place in home wherever there is a risk for potential water damage
• Includes 3 Sensors and 1 Gateway
• USB-C cord included for every gateway
• Battery type: 2 - AAA batteries per sensor (included)

SPLK10N01
SmartHQ™ Leak Detect Kit
• Includes 1 Sensor and 1 Gateway

WS51X21918
Heating Element w/Gasket

PM77X001
2.1 Gallon Expansion Tank
• Connection Size: 3/4" Male Pipe Thread
• Factory Pre-Charged: 40 PSI (2.8 bar)
• Maximum air charge: 80 PSI (5.5 bar)
• Maximum working pressure: 150 PSI (10.3 bar)
• Maximum Temperature 200°F (93°C)
• UPC Certified

Accessories

PM77X002
18" Electric Water Heater Corrugated Quick Connector Kit
Includes:
• (1) 3/4" Ball Valve x 3/4" FIP X 18" [SS3088FLEXBV*]
• (1) 3/4" x 3/4" FIP X 18" [SS3088FLEX18LF*]
• (1) 3/4" Demount Clip
*Listed with IAPMO-Complies with Lead Plumbing Law

PM77X101
18" Electric Water Heater Braided Connector Kit
• Includes (2) 18" braided water supply connectors, (2) compression adapters, and (1) roll of sealing tape

PM77X201
18" Electric Water Heater Corrugated Connector Kit
• Includes (2) 18" braided water supply connectors, (2) compression adapters, and (1) roll of sealing tape

PM77X102
18" Gas Water Heater Braided Connector Kit
• Includes (2) 18" braided water supply connectors, (2) compression adapters, (1) gas supply connector, and (1) roll of sealing tape

PM77X202
18" Gas Water Heater Corrugated Connector Kit
• Includes (2) 18" corrugated water supply connectors, (2) compression adapters, (1) gas supply connector, and (1) roll of sealing tape

Ordering Made Easy

GE Appliances offers two convenient ways to order any part from our extensive assortment.

1. Call 800.851.6200

A GE Appliances parts specialist can help you set up your account, find a part number and place your order.

2. Visit gecustomernet.com

This comprehensive online resource offers everything you need—and more—in one convenient place.

New to GE Customernet?

Click the “Register Now” link to begin your registration process. You must have a valid GE Appliances account number to begin this process. If you do not know your parts account number, contact GE Appliances CustomerNet help desk at 800.242.1333.

Follow the instructions to register your account and set up roles.

If you have any issues, contact the GE help desk at 800.242.1333, 8 a.m. to 6 p.m. ET; Monday–Friday.

Limited One-Year Warranty

All parts and accessories have a limited one-year warranty, with the exception of water filters, which have a 30-day warranty. If your part fails because of a manufacturing defect within one year from the date of original purchase, we will provide a new or, at our option, rebuilt part without charge. Return the defective part to the vendor (reseller) from whom it was purchased with a copy of the "proof of purchase." If the part is defective it will be exchanged. Warranty claims are only honored on parts purchased from authorized GE Appliances parts resellers.

This warranty does not cover parts which are improperly installed, damaged, abused or used for other than the intended purpose. It does not include cost of returning the part to the vendor (reseller) from which it was purchased, labor to remove, install or diagnose the failure, parts used in commercial applications, incidental or consequential damage caused by possible defects with the parts.

Exclusion Of Implied Warranties - Your sole and exclusive remedy is part exchange as provided in this Limited Warranty. Any implied warranties, including the implied warranties of merchantability or fitness for a particular purpose, are limited to one year or the shortest period allowed by law.

Heat-Absorbing Paste
With Heat Shield

- Designed to isolate heat encountered in soldering, welding and brazing
- Prevents damage to nearby heat sensitive controls, fittings or other material

Thermo-Trap is a trademark of Nu-Calgon Wholesaler, Inc.

WX05X20002
Dishwasher Clear Door
Diagnostic Tool

- Makes troubleshooting quick and easy

WX5X351
Torx Bit Set

- Contains all required bits to remove security screws used on GE Appliances products

WX5X25263
Microlite

- Provides a visual indicator for testing energy inside the cavity of a microwave oven

WX05X10025
Clamp Pliers

- Allows bands to be reused
- Use one side to tighten the collar band and the other side to loosen it

WX05X20641
Service Kit Belt Tool

- Makes washer belt replacement easier
- Helps ensure new belts are properly aligned on the drive pulley

WX05X10027
Washer Prop Block

- Allows you to raise washer for easier installation and servicing

WX5X1325
Agitator Wrench T-Line

- Provides an easier method for removing agitator nut on T-line washer models

WX5X1326
Agitator Strap T-Line

- Provides an ergonomic tool for removal of agitators from T-line washer models

RTV102
Silicone Rubber
Adhesive Sealant

- High-performance white adhesive
- MIL-A-46106B-compliant

GE361
Clear Silicone Glue

- Intended for general household repairs
- Waterproof and airtight
- Resists shrinking and cracking

Maintenance Tools must be ordered using parts account and NOT appliance account

Maintenance Tools

WX05X25197
