LET'S BUILD

THE FUTURE

2025 MULTI-FAMILY CONTRACTOR PREFERRED

Selection Guide

WE CONNECT. WE SIMPLIFY.
WE LEAD.

LET'S **CONNECT**

The possibilities begin with a better way of doing business. More than helping complete all kinds of homes, we make sure we constantly respond to your evolving needs — continually proving ourselves as partners for the long run. Our nationwide sales and support team is dedicated to builder professionals, ready and able to help you throughout each phase of every project.

CONTRACTOR PREFERRED MODEL PROGRAM

GE Appliances is committed to our Multi-Family customers and has developed a Multi-Family Contractor Preferred Model Program to help general contractors select kitchen packages from our highest performing Multi-Family appliances which will be stocked and ready to deploy when needed.

GE Appliances helps you conserve energy and save money. We have been an ENERGY STAR® Partner since 2001. We are committed to creating energy-efficient, high-performance household appliances.

Compliant with the Americans with Disabilities Act.

Compliant with the Uniform Federal Accessibility Standards.

Chef Connect – For instant convenience, choose when to automatically sync clocks and the range elements with the microwave's or hood's surface light and vent. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by GE Appliances is under license. Other trademarks and trade names are those of their respective owners.

National Sanitation Foundation.

Appliances with built-in WiFi powered by SmartHQ™ that offer remote monitoring and enhanced features are indicated by this icon.

This mark indicates that a product has voice-assistance capabilities.

Appliances with this icon are produced in our American Manufacturing Plants.

LET'S IMAGINE WHAT'S NEXT

With over a century of providing appliances in our history, we're still looking forward, constantly, even obsessively, exploring new ways to innovate for our customers and the future of home—any kind of home. With industry awards such as 2025 Fast Company's Most Innovative Companies List and Smart Appliance Company of the Year in the 2025 IoT Breakthrough Awards, you can be sure we'll help you build the future.

Overview

BUILT FOR AMERICA

\$4 Billion+ Invested in America

Bigger American Investments. More American Jobs.

Behind every appliance built in our U.S. factories is an American job, a local partner, and a bold investment in the future. Headquartered in Louisville, KY, and led by American leadership, we've invested more than \$4 billion in our U.S. operations since 2016—creating jobs, strengthening communities, and delivering innovation made for real life, right here at home.

\$30.2B

contributed annually to the U.S. economy

15,500

U.S. employees

98,000

additional U.S. jobs supported

\$4.6B

spent annually with U.S. suppliers in all 50 states

Built with an American Supply Chain

Our products are built using 6,500+ American suppliers—from steel and aluminum to parts and packaging. Every dollar we invest supports the communities where we live and work.

Invested in Communities Across America

From \$2.4 million invested in education and nonprofit programs in 2024 to record-breaking company volunteerism, at GE Appliances, our people come together to make a difference where it matters most.

U.S. Manufacturing Plants & Microfactories

HAVE QUESTIONS?

Have questions about your new appliance? Get them answered with a simple scan. Every new GE appliance, across all of our brands, is equipped with a unique, scannable QR code on its model tag that unlocks the owner's manual, parts and accessories, how-to videos and more. Whether walking a homebuyer through new home orientation, training a new maintenance manager or moving in a new tenant, save time with easy-to-access information and support. **Watch this video to learn more** ▶

STEP 1

Locate the QR code on your appliance.

Scan the QR code.

STEP 2

STEP 3

QR code pulls up the product page on the website.

SMARTHQ™ SERVICE

Revolutionize the way you service GE appliances with the industry's most powerful diagnostic platform. Over 90% of users report more accurate diagnostics with SmartHQ™ Service. Be trusted as an efficient service provider and increase your first-time complete ratio. This service is compatible with GE appliances dating back to 2013. [Learn more](#) ►

- Perform appliance software updates
- Execute digital appliance diagnostics
- Identify appliance failures efficiently
- Service manuals at your fingertips
- Purchase parts in app
- Directly control appliance components
- View historical service data

SOFTWARE UPDATE

Ensures the software running on the appliance is up to date, improving the lifetime ownership experience for the consumer.

DATA LOGGER

Comprehensive view of recorded diagnostics data of the connected appliance.

SHARED DATA

Service technicians can share diagnostics data extracted from the appliances with a Master Technician or a GE Technical Assistance Group (TAG) technician.

FAULT CODES AND ALERTS

GE appliances perform self-diagnostics and provide resulting data to the technician. Allows technicians to understand performance issues occurring within the appliance.

COMPONENT CONTROL

Gives the technician the ability to turn all components, such as valves, fans, or compressors, ON and OFF to test their functionality.

PRODUCT OVERVIEW

Offers a high-level consumer-oriented overview of the applicable GE appliance.

PARTS PURCHASE

Designed to simplify the search and ordering of genuine GE parts.

SERVICE WEBSITE

Direct access to the GEA service website without an additional login.

ONePARTS SEARCH

Offers an exploded view of drawings of sub-systems of GE appliances.

DOCUMENT SEARCH

User-friendly "Google-like" search of the GEA service document database.

APPLIANCE SERVICE HISTORY

Comprehensive access to historical service data of previously repaired appliances.
