LET'S BUILD THE FUTURE

2026 BUILDER APPLIANCE SELECTION GUIDE

Builder Focus Model Program

MONOGRAM CAFÉ Profile Haier Hotpoint

PRO PLEDGE

WE CONNECT. WE SIMPLIFY.
WE LEAD.

LET'S **CONNECT**

The possibilities begin with a better way of doing business. More than helping complete all kinds of homes, we make sure we constantly respond to your evolving needs — continually proving ourselves as partners for the long run. Our nationwide sales and support team is dedicated to builder professionals, ready and able to help you throughout each phase of every project.

BUILDER FOCUS MODEL PROGRAM

GE Appliances is committed to our builder customers and has developed a Builder Focus Model Program to help homeowners select kitchen packages from our CAFÉ, GE Profile™, GE and Hotpoint brands. These are a collection of high-volume SKUs, by brand, to drive improved availability.

GE Appliances helps you conserve energy and save money. We have been an ENERGY STAR® Partner since 2001. We are committed to creating energy-efficient, high-performance household appliances.

Compliant with the Americans with Disabilities Act.

Compliant with the Uniform Federal Accessibility Standards.

Chef Connect – For instant convenience, choose when to automatically sync clocks and the range elements with the microwave's or hood's surface light and vent. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by GE Appliances is under license. Other trademarks and trade names are those of their respective owners.

National Sanitation Foundation.

Appliances with built-in WiFi powered by SmartHQ™ that offer remote monitoring and enhanced features are indicated by this icon.

This mark indicates that a product has voice-assistance capabilities.

Appliances with this icon are produced in our American Manufacturing Plants.

This GE Appliances product meets BABA standards.*

BUILT FOR AMERICA

Rated #1 America's Appliance Company

GE APPLIANCES a Haier company

$4 Billion+ Invested in America

Bigger American Investments. More American Jobs.

Behind every appliance built in our U.S. factories is an American job, a local partner, and a bold investment in the future. Headquartered in Louisville, KY, and led by American leadership, we've invested more than $4 billion in our U.S. operations since 2016—creating jobs, strengthening communities, and delivering innovation made for real life, right here at home.

$30.2B	15,500	98,000	$4.6B
contributed annually to the U.S. economy	U.S. employees	additional U.S. jobs supported	spent annually with U.S. suppliers in all 50 states

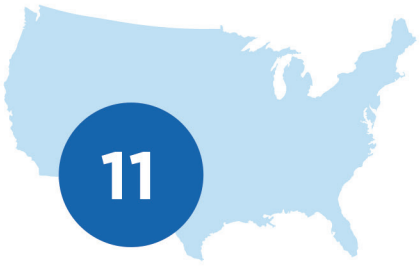

Built with an American Supply Chain

Our products are built using 6,500+ American suppliers—from steel and aluminum to parts and packaging. Every dollar we invest supports the communities where we live and work.

Invested in Communities Across America

From $2.4 million invested in education and nonprofit programs in 2024 to record-breaking company volunteerism, at GE Appliances, our people come together to make a difference where it matters most.

U.S. Manufacturing Plants & Microfactories

RESOURCES

Our goal is to always be the easy, go-to choice, so we streamline your experience every step of the way. Our outstanding house of brands lets you find exactly what you need for any build. And tools such as our newly revamped, all-inclusive customer portal, CustomerNet, plus our marketing resources, training and much more are easy to access and use.

HAVE **QUESTIONS?**

Have questions about your new appliance? Get them answered with a simple scan. Every new GE appliance, across all of our brands, is equipped with a unique, scannable QR code on its model tag that unlocks the owner's manual, parts and accessories, how-to videos and more. Whether walking a homebuyer through new home orientation, training a new maintenance manager or moving in a new tenant, save time with easy-to-access information and support.
Watch this video to learn more ▶

STEP 1

Locate the QR code on your appliance.

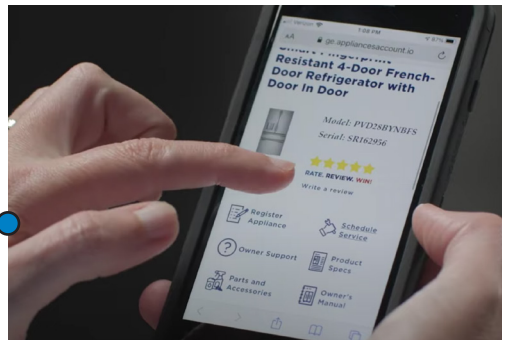

Scan the QR code.

STEP 2

STEP 3

QR code pulls up the product page on the website.

A BRAND **FOR EVERY BUILD**

ELEVATE EVERYTHING.

We are redefining the world of luxury appliances, one detail at a time. With uncompromising attention to every detail, Monogram appliances truly Elevate Everything™ in luxury kitchens. Monogram's Minimalist and Statement Collections, featuring rich materials and precise design, are crafted with style that endures.

See the latest from Monogram on our social channels.

STATEMENT COLLECTION

TRADITIONAL STYLE WITH UNPARALLELED PERFORMANCE

The Monogram Statement Collection brings modern design together with traditional kitchen appliance features. Edge-to-edge handles and robust knobs feel integrated into the appliances. The gleaming stainless steel finish is set off with solid brass accents, wide glass windows, and rich, interactive LCD displays. Restaurant-inspired features invite you to take on any cooking aspiration while the smart appliances effortlessly sync your kitchen with your life.

IT'S IN THE DETAILS

- *Edge-to-Edge Handles with Brass End Caps*
- *Brass Burner details*
- *Signature Wide Windows*
- *Substantial Knobs with Brass Accent*

MINIMALIST COLLECTION

SIMPLE ELEGANCE WITH INCOMPARABLE PERFORMANCE

The Minimalist Collection further streamlines even the most contemporary kitchen with flush installation and only the most essential hardware. Its expansive glass design reflects our keen eye for detail and functional aesthetic. Interactive LCD screens and push-to-open oven doors are modern details with a powerful purpose — heightening your culinary experience. And smart appliance features are the modern convenience you didn't realize you needed.

DEFINING DETAILS

- *Precisely Machined Metals*
- *Interactive LCD Screens*
- *Push-to-Open Oven Doors*
- *Expansive Glass*

DESIGNER COLLECTION

ELEGANCE THAT ELEVATES EVERYTHING

Created by nationally recognized kitchen and bath design authority, Richard T. Anuszkiewicz (ANNA-SKEV-ICH), the Designer Collection makes highly detailed and personalized products tangible to consumers.

This impactful collection reflects Monogram's impeccable and sophisticated design through artisan-level quality control and a relentless commitment to innovation. Inspired by fine jewelry, elements within the Designer Collection are tailored with striking touches that will elevate any kitchen.

DEFINING DETAILS

- *Industry's first custom 96" refrigeration panel*
- *Oversized, professional hoods*
- *Leather wrapped handles with radical accents*
- *Brass and titanium collections*

BUILDER PROGRAMS

CONSUMER REBATE

The One for You, One for Free rebate starts with Monogram professional ranges: receive up to three free eligible Monogram appliances or generous credits toward the appliances of your choice.

PREFERRED BUILDER PROGRAM

A trade discount off UMRP is available to qualified Builders and Designers who specify a minimum of 8 pieces of Monogram a year.

ELEVATED BUILDER PROGRAM

An enhanced trade discount for Builders who commit to specifying a minimum of 25 pieces of Monogram in a calendar year.

Reach out to your Area Sales Manager or Monogram Sales Manager to ask how you can take advantage of these programs.

MONOGRAM SUPPORT OPTIONS

Monogram-Specific Call Agent

This dedicated support line offers prioritized support for Builders and Resellers to order parts, schedule service, and give advice on products.

Customizable kitchen appliances with distinct design

The CAFÉ brand of kitchen appliances offers two collections unlike any other. The Customizable Professional Collection in matte black, matte white and stainless showcases designer-curated hardware options, while the Modern Glass Collection features a platinum glass finish and sophisticated design. The choices let style-conscious consumers reflect their personal style.

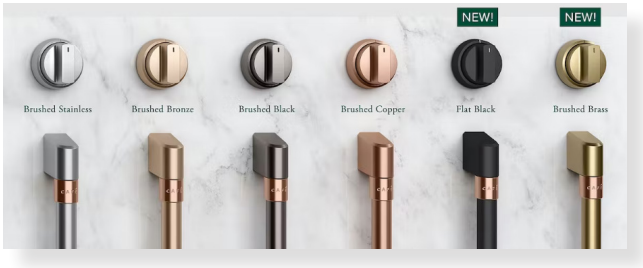

See the latest from CAFÉ on our social channels.

CAFÉ THE CUSTOMIZABLE PROFESSIONAL COLLECTION

CAFÉ's Customizable Professional Collection allows you to set the canvas with either Matte White, Matte Black or Stainless appliance finishes, then personalize by choosing from six distinct handle/knob hardware options, allowing you to reflect your style.

Matte White | Matte Black | Stainless Steel

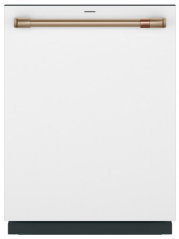

Matte White + Brushed Bronze Hardware, standard

Optional Hardware Choices: Brushed Brass, Flat Black, Brushed Stainless, Brushed Black, Brushed Copper

Profile™

LAUNDRY PACKAGE

Space-Saving, Time-Saving Technology

ULTRAFAST COMBO

Easy Installation
Plugs into standard 120v outlet and no need for a dry exhaust vent.

Complete Cycle in 2 Hours*
Wash + dry a large load of laundry in about 2 hours* without the hassle of transferring clothes between two machines.

Greater Energy Savings
50% more energy efficient drying** with Ventless Heat Pump.

GE Profile™ ENERGY STAR®
4.8 cu. ft. Capacity UltraFast Combo with Ventless Inverter Heat Pump Technology Washer/Dryer

PFQ97HSPVDS

- Premium Aesthetics (Carbon Graphite with Chrome Accents)
- Adaptive SmartDispense (Detergent & Softner)
- Pet Hair Mode
- Downloaded Cycles
- Wash Complete Alert
- More Water
- Larger capacity
- **Available in Jade Green and Sapphire Blue**

GE Profile™ ENERGY STAR®
4.6 cu. ft. Capacity UltraFast Combo with Ventless Inverter Heat Pump Technology Washer/Dryer

PFQ83HSSWWW

- Steam (Wash & Dry cycle)
- 2-in-1 Washer/Dryer
- Fast Airflow Drying System
- Easy Installation, 120V and no dryer vent

*Based on completing the Normal Wash + Dry cycle with Eco Dry using a 10-lb. DOE or Mixed Load in about 2 hours. See Use & Care.
**Efficiency rating as compared to the requirements for ENERGY STAR qualification for standard electric dryers.
