MONOGRAM™

MONOGRAM HEARTH OVEN AND WALL OVENS

Monogram's electric hearth oven is handcrafted to capture the performance of a wood-fired brick oven for perfectly prepared Neapolitan-style pizzas, soft artisanal bread or a whole roasted branzino. Monogram wall ovens are designed to meet every baking, broiling and roasting aspiration with true European direct air convection cooking and easy-to-use controls.

MONOGRAM STEAM OVENS AND 5-IN-1 OVENS WITH ADVANTIUM® TECHNOLOGY

Monogram steam ovens use an advanced feature that provides continuous steam throughout the cooking process, helping foods better retain their flavor, color and nutritional value. Monogram Advantium® ovens cook food up to four times faster than a conventional oven and can be used as a convection oven, toaster oven, warming/proofing oven, precision-cook oven and a microwave.

Expertly engineered, Monogram dishwashers and compactors deliver unparalleled performance. The dishwashers offer an advanced wash system, an adjustable third rack, whisper-quiet operation —and more. The large-capacity compactors have plenty of room for waste items or recyclables, while the 1/3 HP motor provides exceptional compacting power.

LIMITED WARRANTY INFORMATION

(SEE WRITTEN WARRANTY FOR COMPLETE DETAILS)

MONOGRAM™

The condensed list below is a convenient overview of the written warranties offered on various Monogram appliances described in this document for products manufactured on or after January 1, 2006. For complete warranty details on a specific Monogram model, visit Monogram.com or contact your nearest Monogram reseller, or call Monogram Factory Service, toll-free, 800-444-1845.

PRO RANGE

FOR THE PERIOD OF	MONOGRAM WILL REPLACE
Limited two-year warranty	For two years from date of original purchase, we will provide, free of charge, parts and service labor in your home to repair or replace any part of the appliance that fails because of a manufacturing defect.
Limited five-year warranty	For five years from the date of original purchase, we will provide, free of charge, replacement gas surface burners if they fail in normal household use. (The grill, griddle and oven burners are not included.) You pay for the service trip to your home and all service labor charges.
Limited lifetime warranty	For the lifetime of the gray porcelain enamel oven racks, we will provide, free of charge, replacement racks if they fail in normal household use. You pay for the service trip to your home and all service labor charges.

RANGETOP & COOKTOPS

FOR THE PERIOD OF	MONOGRAM WILL REPLACE
Limited two-year warranty	For two years from date of original purchase, we will provide, free of charge, parts and service labor in your home to repair or replace any part of the appliance that fails because of a manufacturing defect.
Limited five-year warranty	For five years from the date of original purchase, we will provide, free of charge, replacement gas surface burners if they fail in normal household use. (The grill and griddle are not included.) You pay for the service trip to your home and all service labor charges.

WALL OVENS

FOR THE PERIOD OF	MONOGRAM WILL REPLACE
Limited two-year warranty	For two years from date of original purchase, we will provide, free of charge, parts and service labor in your home to repair or replace any part of the appliance that fails because of a manufacturing defect.

ADVANTIUMS

FOR THE PERIOD OF	MONOGRAM WILL REPLACE
Limited two-year warranty	Any part of the oven which fails due to a defect in materials or workmanship. During this limited two-year warranty, Monogram will also provide, free of charge, all labor and related service costs to replace the defective part.
Limited five-year warranty	The magnetron tube, if the magnetron tube fails due to a defect in materials or workmanship. During this five-year limited warranty, you will be responsible for any labor or in-home service costs.

MICROWAVES

FOR THE PERIOD OF	MONOGRAM WILL REPLACE
Limited two-year warranty	For two years from the date of the original purchase, Monogram will replace any part of the microwave oven which fails due to a defect in materials or workmanship. During this limited two-year warranty, Monogram will also provide, free of charge, all labor and related service to replace the defective part.
Limited third-through fifth-year warranty	For the third through fifth years from the date of the original purchase, Monogram will replace the magnetron tube, if the magnetron tube fails due to a defect in materials or workmanship. During this third-through-fifth-year limited warranty, you will be responsible for any labor or in-home service costs.

HOODS

FOR THE PERIOD OF	MONOGRAM WILL REPLACE
Limited two-year warranty	For two years from date of original purchase, we will provide, free of charge, parts and service labor in your home to repair or replace any part of the unit that fails because of a manufacturing defect.

WARMING DRAWER

FOR THE PERIOD OF	MONOGRAM WILL REPLACE
Limited two-year warranty	Any part of the warming drawer which fails due to a defect in materials or workmanship. During this limited two-year warranty, Monogram will provide, free of charge, all labor and in-home service to replace the defective part.

HEARTH OVEN

FOR THE PERIOD OF	MONOGRAM WILL REPLACE
Limited two-year warranty	For two years from date of original purchase, we will provide, free of charge, parts and service labor in your home to repair or replace any part of the oven that fails because of a manufacturing defect.

REFRIGERATION

FOR THE PERIOD OF	MONOGRAM WILL REPLACE
Limited two-year warranty	For two years from date of original purchase, we will provide, free of charge, parts and service labor in your home to repair or replace any part of the refrigerator or freezer that fails because of a manufacturing defect.
Limited five-year warranty	For five years from date of original purchase, we will provide, free of charge, parts and service labor in your home to repair or replace any part of the sealed refrigerating system (the compressor, condenser, evaporator and all connecting tubing) that fails because of a manufacturing defect.
Limited additional sixth-through twelfth-year warranty on the sealed system	For the sixth through twelfth year from the date of the original purchase, we will provide, free of charge, replacement parts for any part of the sealed refrigerating system (the compressor, condenser, evaporator and all connecting tubing) that fails because of a manufacturing defect. You pay for the service trip to your home and for service labor charges.
Limited thirty-day warranty on water filter cartridge (Water filter, if included)	From the date of the original purchase we will provide, free of charge, replacement parts for any part of the water filter cartridge that fails because of a manufacturing defect. During this limited thirty-day warranty, we will also provide, free of charge, a replacement water filter cartridge.

UNDERCOUNTER

FOR THE PERIOD OF	MONOGRAM WILL REPLACE
Limited two-year warranty	For two years from date of original purchase, we will provide, free of charge, parts and service labor in your home to repair or replace any part of the unit that fails because of a manufacturing defect.
Limited third through fifth-year warranty	For the third through fifth years from date of original purchase, we will provide, free of charge, parts and service labor in your home to repair or replace any part of the sealed refrigerating system (the compressor, condenser, evaporator and all connecting tubing) that fails because of a manufacturing defect.

ICEMAKERS

FOR THE PERIOD OF	MONOGRAM WILL REPLACE
Limited one-year warranty	Any part of the ice machine which fails due to a defect in materials or workmanship. During the limited one-year warranty, GE Appliances will also provide, free of charge, all labor and related service to replace the defective part.
Limited five-year warranty	Any part of the sealed refrigeration system. During the limited five-year sealed refrigerating system warranty, GE Appliances will also provide, free of charge, all labor and related service to replace the defective part in the sealed refrigerating system.

DISHWASHER

FOR THE PERIOD OF	MONOGRAM WILL REPLACE
Limited two-year warranty	Any part of the dishwasher which fails due to a defect in materials or workmanship. During this limited two-year warranty, Monogram will also provide, free of charge, all labor and in-home service to replace the defective part.
Limited three-to-five-year warranty	The dishwasher rack and/or the electronic control module, if these should fail due to a defect in materials or workmanship. During this three-to-five-year limited warranty, you will be responsible for any labor or in-home service costs.
Limited lifetime warranty	The stainless steel tub or door liner, if it fails to contain water due to a defect in materials or workmanship. During this limited lifetime warranty, Monogram will also provide, free of charge, all labor and in-home service to replace the defective part.

EXCLUSION OF IMPLIED WARRANTIES – Your sole and exclusive remedy is product repair as provided in this Limited Warranty. Any implied warranties, including the implied warranties of merchantability or fitness for a particular purpose, are limited to one year or the shortest period allowed by law.

This warranty is extended to the original purchaser and any succeeding owner for products purchased for home use within the USA. In Alaska, the One-Year Warranty excludes the cost of shipping, or service calls to your home. Some states do not allow the exclusion or limitation of incidental or consequential damages. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. To know what your legal rights are, consult your local or state consumer affairs office or your state's Attorney General.
