Big city life. Small kitchen space.

At Haier, we're inspired by the city. We create appliances that combine space-saving technology, worldly design, and city hustle.

We're the only appliance brand designed for this place. So, when you sell Haier, you're tapping into a compact appliance market that's growing by 40% and worth \$1 billion dollars* — which is some serious street cred.

Haier

**#1 major appliance brand
in the world.****
